La Perle Noire. [A Novel.] Edited ... by A.E. Lamart Victorien SARDOU,A. E. LAMART,1892 La Perle Noire Victorien Sardou,2018-03-16 Excerpt from La Perle Noire Edited With Grammatical And Explanatory Notes And A French English Vocabulary When Mr Sardou was requested to be kind enough to allow this novelette to be placed in Hachettes s Series of Modern French Authors in giving his consent the author called it an ouvrage de jeunesse A youthful work indeed in the sense that it breathes the lofty and chivalrous spirit of the enthusiastic period of youth and it certainly has this peculiarity of good fruit that there remains an agreeable flavour behind it Many readers may find La Perle noire too short to satisfy them but short as the work is it abounds in lively idiomatic phrases which not only teach the use of the French language but exhibit also many of the characteristics of the French nation and those who read this little book with attention to the rules of gram mar which are illustrated in it may learn a great deal of accidence and syntax in a very pleasant way If to facilitate this I may be allowed to offer a suggestion it will be that a twofold translation be made of each idiom the one quite literal enabling the learner to familiarize himself with its correct use and the other in a freer style so as to impress upon his memory the exact equivalent in English About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

La Perle Noire Paul Claudel,1947 La Perle Noire, And, Le Voyage Autour De Ma Chambre (Classic Reprint) Victorien Sardou,2018-02-09 Excerpt from La Perle Noire And Le Voyage Autour De Ma Chambre The Perle N oire is placed first because it was considered that though perhaps of more idiomatic French than its com panion yet the facility in the comprehension of the language which its previous study must necessarily afford would render the more philosophic Voyage less beyond the grasp of the average student About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an
