**Migration and Integration** Gabriele Vogt, Deutsches Institut für Japanstudien, Glenda Susan Roberts, 2011

**Language, Education and Citizenship in Japan** Genaro Castro-Vázquez, 2013 Based on extensive original research this book explores the early educational experiences of foreign children in Japan It considers foreign children's experiences of Japanese schools examines the special tutoring such children often have to improve their language proficiency and explores the role of mothers in encouraging their children's education It contrasts the experiences of foreign children with those of Japanese children and sets out the extensive difficulties foreign children encounter in becoming fully accepted by and integrated into Japanese society The book concludes by discussing the nature of citizenship in Japan and the importance of education including early education in shaping Japanese citizenship The SAGE Handbook of Modern Japanese Studies James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University **International Migrants in Japan** Yoshitaka Ishikawa, 2015 Japan faces multiple challenges in an era of population decline Problems such as aging and a decreasing working age population are expected to increase in severity so tackling these challenges and examining the contributions that immigrants can make to society are vital for Japan's future What contributions do foreign residents make to Japan especially in the labor market How do national and local government policies effect the settlement and permanent residence of foreign nationals Are issues such as social mobility and quality of life of foreigners the fertility of foreign women and long term trends in naturalization important What support does Japan offer to immigrants As a new country of immigration the need to examine such questions is growing This book takes a geographical perspective in examining the necessity of immigration and how foreign residents are helping to alleviate the problem of population decline in contemporary Japan Over the last thirty years Japan has become a country of immigration again While the literature on migration to Japan is growing reliable data on the issue is still scarce Yoshitaka Ishikawa's edited volume is a major contribution to filling this void Overall the papers compiled in the book are a good introduction to the complex and multifaceted realities of newcomer migrants and shed light on some understudied quantitative and qualitative aspects of

migration to Japan Pacific Affairs Vol 89 No 4 December 2016 Series Japanese Society Subject Sociology Japanese Studies Asian Studies Migration Studies Labor Studies      **Asian Migrations** Tony Fielding, 2015-07-16 This textbook describes and explains the complex reality of contemporary internal and international migrations in East Asia Taking an interdisciplinary approach Tony Fielding combines theoretical debate and detailed empirical analysis to provide students with an understanding of the causes and consequences of the many types of contemporary migration flows in the region Key features of Asian Migrations Comprehensive coverage of all forms of migration including labour migration student migration marriage migration displacement and human trafficking Text boxes containing key concepts and theories More than 30 maps and diagrams Equal attention devoted to broad structures e g political economy and individual agency e g migration behaviours Emphasis on the conceptual and empirical connections between internal and international migrations Exploration of the policy implications of the trends and processes discussed Written by an experienced scholar and teacher of migration studies this is an essential text for courses on East Asian migrations and mobility and important reading for courses on international migration and Asian societies more generally      *Creating Social Cohesion in an Interdependent World* Tetsuo Mizukami, 2016-04-08 *Creating Social Cohesion in an Interdependent World* examines the ways in which two very different societies Australia and Japan have dealt with challenges to their cultural and institutional fabric as well as the social cohesion arising from the acceleration of global interdependence during recent decades Deepening globalization has generated great social dislocation and uncertainty about collective identity and to anxiety about how to accommodate apparently unstoppable external influences The studies in this volume explore areas which have experienced significant impact from globalization including immigration policy ethnic and racial intermarriage attitudes towards ethnic and racial minorities national and cultural identity education policy and labor relations The approach used is innovative in juxtaposing two societies which although developed are contrasting in their historical origins and contemporary cultural legacies      Japan in Decline Purnendra Jain, Brad Williams, 2011-03-21 To what extent is Japan in decline In recent years popular writings media commentaries and analysts often take the view that the rise of Japan is long since over and that the world's second largest economy is not just treading water but that society and the economy are failing with potential catastrophic outcomes But is this really the case Could it be that once again Japan is being misread and misinterpreted Are there not both obvious and less obvious signs of renewal and recovery And how might the new DPJ led government reform Japan Based on papers given at a major international conference held at the University of Adelaide in November 2009 this thesis is examined here by a group of the world's leading specialists in their fields addressing many of the key issues facing Japan today from the economy and environment to education social policy politics internationalization diplomacy security This volume will have wide ranging interdisciplinary relevance for students and specialists alike      **Asian Studies** , 2013      **Population Aging and International Health-Caregiver Migration to Japan** Gabriele Vogt, 2017-09-18 This book introduces Japan's current

policy initiatives directed at eldercare and international labor migration and wherever appropriate it adds a comparative perspective from Germany The book shows how eldercare is currently being organized and discusses integration policies for foreigners It studies the policy making process behind the system and contextualizes the migration avenue within the strong roots of Japan s eldercare in local communities and the non preparedness of the nation to grant local citizenship to international newcomers Through applying an approach of multi level policy making putting a strong focus on the local level and introducing new approaches this book is of interest to policy makers and scholars in aging migration health care and contemporary Japan
