The Doctrine of Good Works Thomas H. McCall, Caleb T. Friedeman, Matt T. Friedeman, 2023-07-25 Christianity Today 2024 Book Award Academic Theology. In Titus 1:14, Paul says Christ redeemed a people zealous for good works. Despite this declaration and others like it, the doctrine of good works has fallen on hard times in contemporary Protestant theology and practice. At best it's neglected as in most systematic theologies and in too much church teaching. At worst it's viewed with suspicion as a threat to salvation by grace alone through faith alone. In this important work addressing a significant gap in current theological literature, the authors argue that by jettisoning a doctrine of good works, the contemporary church contradicts historical Protestantism and more importantly biblical teaching. They combine their areas of expertise: exegesis, systematic and historical theology, and practical theology to help readers recover and embrace a positive doctrine of good works. They survey historical Protestant teaching to show the importance of the doctrine to our forebears, engage the scriptural testimony on the role of good works, and formulate a theology of salvation and

good works and explore pastoral applications A Handbook of Theology Dr. Daniel L. Akin, David S. Dockery, Nathan A. Finn, Christopher W. Morgan, 2023-04-01 In A Handbook of Theology editors Daniel Akin, David Dockery and Nathan Finn select nearly fifty contributors in the Baptist and evangelical heritage to lay a biblically informed foundation of a Christian theology for students, pastors and church leaders. This volume surveys six parts of theology: foundations, Part 1: types of theology; Part 2: history and geography; Part 3: Christian doctrine; Part 4: the Christian life; Part 5: and theology and culture; Part 6: Each author centers their theological topics in the Scriptures while also being Trinitarian, Christ-centered, Spirit-enabled and mission-focused. The Theology for the People of God series is edited by David S. Dockery, Nathan A. Finn and Christopher W. Morgan. Christian Theology Adam Harwood, 2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction. Adam Harwood's Christian Theology is both biblically faithful and historically informed, providing a fresh synthesis of the essential doctrines of the faith. Writing from a Free Will Baptist perspective, Harwood brings fresh insights that many systematic theologies lack. With readable prose, suggestions for further study and discussion questions, Christian Theology will equip students and pastors to clarify and articulate what they believe and why. Systematic Theology, Second Edition Wayne A. Grudem, 2020-12-08 This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the new perspective on Paul, Molinism, or middle knowledge. Free Grace theology and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture

memory passage references to other literature on the topic and suggested hymns and worship songs If you think theology is hard to understand or boring then this new edition of Systematic Theology will change your mind Essentials of Christian Theology Stanley James Grenz, William Carl Placher, 2003-01-01 This splendid introductory textbook for Christian theology presents two essays by leading scholars on each of the major theological questions William Placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts *Doctrina Cristiana - 3a Edición (Introducing Christian Doctrine - 3rd Edition)* Millard Erickson, 2023-05 La tercera edición ahora revisada minuciosamente Este compendio del clásico de Millard Erickson Teología Cristiana ofrece una visión general de las doctrinas de la revelación de Dios la creación la providencia la humanidad el pecado Jesucristo la expiación y la salvación la iglesia y la escatología La tercera edición ahora revisada minuciosamente de principio a fin incorpora los comentarios de catedráticos estudiantes y refleja las conversaciones teológicas actuales con material adido sobre la expiación la justificación y la presciencia divina Erickson comienza explicando qué es la teología y luego avanza por las doctrinas de la revelación de Dios la creación y la providencia la humanidad el pecado Jesucristo el Espíritu Santo la expiación y la salvación la iglesia y la escatología Esta segunda edición incluye ayudas pedagógicas incluye un capítulo sobre la posmodernidad y presenta el capítulo pertinente de Teología cristiana contemporizadora del mensaje evangélico Leading evangelical scholar Millard Erickson offers a new edition of his bestselling doctrine text over 100 000 copies sold now thoroughly revised throughout This book is an abridged less technical version of Erickson's classic Christian Theology Pastors and students alike will find this survey of Christian theology and doctrine to be biblical contemporary moderate and fair to various positions It is a practical and accessible resource that applies doctrine to Christian life and ministry This book is supplemented with helpful web materials for students and professors through Baker Academic's Textbook eSources **Divine Paradoxes** Jon Tal Murphree, Jon T.
