**Innovations and Advanced Techniques in Computer and Information Sciences and Engineering** Tarek Sobh, 2007-09-04. *Innovations and Advanced Techniques in Computer and Information Sciences and Engineering* includes a set of rigorously reviewed world-class manuscripts addressing and detailing state-of-the-art research projects in the areas of Computer Science, Computer Engineering, and Information Sciences. *Innovations and Advanced Techniques in Computer and Information Sciences and Engineering* includes selected papers from the conference proceedings of the International Conference on Systems Computing Sciences and Software Engineering (SCSS 2006), which was part of the International Joint Conferences on Computer Information and Systems Sciences and Engineering (CISSE 2006). All aspects of the conference were managed online, not only the reviewing of submissions and registration processes, but also the actual conference. Conference participants, authors, presenters, and attendees only needed an internet connection and sound available on their computers in order to be able to contribute and participate in this international ground-breaking conference. The online structure of this high-quality event allowed academic professionals and industry participants to contribute work and attend world-class technical presentations based on rigorously refereed submissions live, without the need for investing significant travel funds or time out of the office. Suffice to say that CISSE received submissions from

from more than 70 countries for whose researchers this opportunity presented a much more affordable dynamic and well planned event to attend and submit their work to versus a classic on the ground conference The CISSE conference audio room provided superb audio even over low speed internet connections the ability to display PowerPoint presentations and cross platform compatibility the conferencing software runs on Windows Mac and any other operating system that supports Java In addition the conferencing system allowed for an unlimited number of participants which in turn granted CISSE the opportunity to allow all participants to attend all presentations as opposed to limiting the number of available seats for each session Beginning C# 6 Programming with Visual Studio 2015 Benjamin Perkins,Jacob Vibe Hammer,Jon D.
