

## NTP Halo: Electronic Health & Safety Support System

### User Guide

#### Introduction

Ease of use has been pivotal to the development of NTP Halo; as a consequence, its use is completely intuitive for anyone with even the most basic IT skills.

Therefore, Section 1 will give you the fundamental guidance and confidence to get started. Section 2 is intended to contextualise Health & Safety within your Organisation and Section 3 will identify how NTP Halo will help you.

The remaining sections are for your support should you encounter any problems; they are not intended to be read like a user manual – mainly because there is no need for this.

If this guide still does not solve any issue you have then please do not hesitate to contact us:
