

1. One day after school, you went to the staffroom to see your teacher, but there was nobody there. Just as you were about to leave, you noticed a piece of paper on the staffroom floor. You picked it up, and saw the words "END OF TERM EXAMINATION" at the top of the page.

Describe what happened next.

2. Your parents have sent you away for a month to a summer school in another country. It is your first trip outside Hong Kong and in the country where you are, life is completely different from life in Hong Kong. After two weeks, you finally have time to write a letter to your best friend. Describe your experiences and how you feel about the trip.

Write your letter.

3. Recently, you visited a zoo in China. You were horrified to see the terrible conditions in which the animals were kept and the way some of the visitors behaved. You have decided to write a letter to the editor of a magazine published by the Worldwide Fund for Nature.

In your letter, you should briefly describe what you saw. You should also write about at least TWO of the following :

- how to improve conditions in zoos
- how visitors should treat animals in zoos
- alternatives to keeping animals in zoos
