**LEED Green Associate Study Guide and Practice Exams** GreenStep,2014-04-21 GreenStep's study guide and practice exams were originally developed in conjunction with our in person and online LEED Exam Training workshops. They have proved to be an effective tool for over 5 000 GreenStep workshop participants serving both as an in class workbook and as a study guide encompassing all of the key information covered on the LEED Green Associate exam. GreenStep's study guide and practice exams were developed with the mindset that QUALITY is much more important than quantity when preparing for the LEED exam. In the development of these materials our team has scoured every possible resource from which potential exam questions are developed, taken, passed various versions of the LEED exam multiple times and incorporated valuable feedback from hundreds of past participants from over 300 LEED exam training workshops. The result is a comprehensive and concise study guide that covers everything you need to know to pass the LEED Green Associate exam and nothing more. The feedback we've received from thousands of participants who have passed the LEED exam on their first try tell us that our approach works.
