Hey Yeah Right Get a Life Helen Simpson, 2008-07 In this highly acclaimed collection of short stories Helen Simpson explores the multiplicity and variety of London life through the experiences of women at work at home and on holiday

Teaching the Short Story A. Cox, 2015-12-04 The short story is moving from relative neglect to a central position in the curriculum as a teaching tool it offers students a route into many complex areas including critical theory gender studies postcolonialism and genre This book offers a practical guide to the short story in the classroom covering all these fields and more

British Women Short Story Writers Emma Young, 2015-06-30 Essays tracing the evolving relationship between British women writers and the short story genre from the late Nineteenth Century to the present day What is the relationship between the British woman writer and the short story This collection examines what this versatile genre offers women writers and what this can tell us about the society and culture they inhabit From the rise of the modern printing press at the end of the Nineteenth Century through to the present digital age these essays examine how the short story has been deployed and reworked by women writers and how they have influenced and shaped the genres development Considering the effect of literary inheritances societal and cultural change and shifting publishing demands this collection traces the evolution of the genre through to its continued appeal to women writing today From the New Woman to contemporary feminisms women s anthologies to microfiction modernist writers to the contemporary works of Sarah Hall and Helen Simpson the chapters in this collection investigate a crucial yet under examined field of British literature Key Features and Benefits 12 chapters discussing a range of gender and genre issues since the fin de siècle to the present day Sets out a clear trajectory to map both the historical and literary connections and divergences between British women short story writers Offers a comprehensive account of the genres development to provide scholars with a unique insight into a largely neglected aspect of womens writing Includes new readings of canonical authors alongside more recent theoretical approaches innovations and lesser discussed writers

Constructing Coherence in the British Short Story Cycle Patrick Gill, Florian Kläger, 2018-05-11 The first major collection of essays on the contemporary British short story cycle this volume offers in depth explorations of the genre by comparing its strategies for creating coherence with those of the novel and the short story collection inquiring after the ties that bind individual short stories into a cycle A section on theory approaches the form from the point of view of genre theory cognitive literary studies and book studies It is followed by investigations of hitherto neglected aspects of the generic tradition of the British short story cycle and how they relate to the contemporary outlook of the form Readings of individual contemporary cycles illustrating the form s multifaceted uses from the presentation of sexual identities to politics and trauma make up the third and most substantial part of the volume placing its focus squarely on the past decades Unique in its combination of a focus on the literary traditions politics and markets of the UK with a thorough examination of the genre s manifold formal and thematic potentials the volume explores what is at the heart of the short

story cycle as a literary form the constant negotiation between unity and separateness collective and individual of coherence and autonomy **Getting a Life** Helen Simpson, 2002-06-11 Hilarious dark and thoroughly entertaining *Getting a Life* proves Helen Simpson to be one of the finest observers of women on the edge Set in and around contemporary London these nine stories explore both the blisses and irritations of domestic life An ambitious teenager vows never to settle for any of the adult lives she sees around her Two old friends get tipsy at a small cafe and end up revealing more than they intended In a boutique so exclusive that entrance requires a password a frazzled careerwoman explores the anesthetizing effect of highly impractical clothing And in the mesmerizing title story a mother of three takes life one day at a time while pushing the ominous question of whether she wants to firmly to one side

Ibarrola-Armendariz, Jon Ortiz de Urbina Arruabarrena, 2016-07-29 This volume brings together a selection of the papers and round tables delivered at the 39th AEDEAN Conference held at the University of Deusto in November 2015 The essays in *On the Move Glancing Backwards to Build a Future in English Studies* often begin with typically academic gestures such as retrieving a classic text and finding new ways of studying its genre or characterization or remarking how certain ungrammatical constructions have gone frequently unnoticed even in well known texts for various reasons or entangling oneself in contentions about the adequacy of dissecting a literary text or linguistic problem by using innovative analytical tools In all cases though there is the intention of putting forth certain views and notions that will help future scholars to deal in a better light with the dilemmas regularly encountered in literary linguistic and cultural studies The book opens with three essays by professors Bartholomae Pullum and R o who demonstrate not only their mastery in their respective subjects but also their ability to tailor their contents to multifarious audiences The next two sections represent the main body of the e book with nearly forty contributions on both literature and cultural studies Part II and language and linguistics Part III These short academic pieces are a representative showcase of the research being done lately in the different areas of expertise The last section of the volume gathers together the results of four research projects dealing with such engaging topics as postcolonial crime fiction or forgotten texts by Anglo writers about the Spanish Civil War It is hard to think of any potential reader schooled in English Studies who will not find something suitable to their interests and tastes in this volume
