In the excerpt from William L. Langer's book, *The Diplomacy of Imperialism*, another reason is suggested.

But the economic side... must not be allowed to obscure [hide] the other factors. Psychologically speaking... evolutionary teaching [about the "survival of the fittest"] was perhaps most crucial. It not only justified competition and struggle but introduced an element of ruthlessness...

According to Langer, what was the reason for the new imperialism?

Document 6

In this excerpt from Rudyard Kipling's *The White Man's Burden*, there is another explanation for imperialism.

Take up the white man's burden
Send forth the best ye breed
Go bind your sons to exile
To serve your captives' need,
To wait, in heavy harness,
On fluttered folk and wild
Your new-caught, sullen people,
Half-breeds and half-child.

According to the poem, what is the "white man's burden"?

In this excerpt, President William McKinley explains why the United States took over the Philippines.

We could not leave them to themselves. They were unfit for self-government. There was nothing left for us to do but to take them over. Then we would be able to educate the Filipinos, we could uplift and civilize and Christianize them.

How does President McKinley explain the US takeover of the Philippines?
