SCP Foundation, Various Authors, 2019-09-19

SCP Foundation anomalies SCP 001 through to SCP 999 including containment procedures experiment logs and interview transcripts. An encyclopedia of the unnatural. The Foundation Operating clandestine and worldwide the Foundation operates beyond jurisdiction empowered and entrusted by every major national government with the task of containing anomalous objects entities and phenomena. These anomalies pose a significant threat to global security by threatening either physical or psychological harm. The Foundation operates to maintain normalcy so that the worldwide civilian population can live and go on with their daily lives without fear, mistrust or doubt in their personal beliefs and to maintain human independence from extraterrestrial, extradimensional and other extranormal influence. Our mission is three fold. Secure The Foundation secures anomalies with the goal of preventing them from falling into the hands of civilian or rival agencies through extensive observation and surveillance and by acting to intercept such anomalies at the earliest opportunity. Contain The Foundation contains anomalies with the goal of preventing their influence or effects from spreading by either relocating, concealing or dismantling such anomalies or by suppressing or preventing public dissemination of knowledge thereof. Protect The Foundation protects humanity from the effects of such anomalies as well as the anomalies themselves until such time that they are either fully understood or new theories of science can be devised based on their properties and behavior.
