## Games are not

David Myers,2017-08-15 How do we reconcile a videogame industry s insistence that games positively affect human

beliefs and behaviors with the equally prevalent assumption that games are just games How do we reconcile accusations that games make us violent and antisocial and unproductive with the realization that games are a universal source of human joy In Game are not David Myers demonstrates that these controversies and conflicts surrounding the meanings and effects of games are not going away they are essential properties of the game s paradoxical aesthetic form Games are not focuses on games writ large bound by neither digital form nor by cultural interpretation Interdisciplinary in scope and radical in conclusion Games are not positions games as unique objects evoking a peculiar and paradoxical liminal state a lusory attitude that is essential to human creativity knowledge and sustenance of the species *PC Gamer*, 2007 **How to Succeed at**
