## Lucifer Five:

Lucifer's Game Will Schneider, 2015-10-15 *Lucifer's Game* is a tour de force first novel that will capture the hearts of followers of Eckhart Tolle Deepak Chopra Debbie Ford and other popular voices in the growing mainstream fields of spiritual enlightenment and Shadow work Provocative witty humorous and fascinating it reads like a cross between a metaphysical parable a touching romance and a self help bestseller Think The Celestine Prophecy sits down at My Dinner with Andre and converses with Debbie Ford's *The Dark Side of the Light Chasers* With dazzlingly literary finesse Will Schneider takes readers on an intriguing journey into the unknowable depths of human nature and the universal quest to understand the BIG QUESTIONS Is this level of our consciousness all there is Can we learn to step outside the illusion of our reality and find wholeness Can we transcend our dark side to find the light The story unfolds on one of the exotic tropical islands of Hawaii where the Jackson Trent has come to heal his heart after losing a loved one As the writer of a popular blog on self improvement he believes he understands human nature including his own failings His respite trip is interrupted by the appearance of a mysterious stranger who walks with a shuffle shuffle dip of the neck It's Lucifer Prince of Darkness himself who makes a personal appearance on earth from time to time to update himself on humanity and today he's chosen Jackson Though wary Jackson's curiosity pushes him to agree to spend the day with Lucifer debating and exchanging views about human nature and the possibility of enlightenment Lucifer challenges Jackson to understand that humans live unconsciously and are caught in his web playing his game as he is the Keeper of the Shadowlings all the negative forces like hatred envy and greed that we deny in ourselves and push into the basement of our minds Jackson defends humanity but Lucifer shows him the depths of human failings even tricking Jackson into giving into some of his own Sucked into Lucifer's game Jackson gets played until he recognizes the manipulation The stakes grow serious and it's either Lucifer or Jackson who must win the Faustian bet Full of plot twists the ending bends the mind *Lucifer's Game* offers enlightenment seekers at every level a new perspective of consciousness to understand ourselves more deeply and reach for higher levels of wholeness *Angel*

*Chasers* Gloria N Harris, 2003-09 *The Sex Radicals* Hal D. Sears, 2021-10-29 This volume provides the first account of the pioneering efforts at sex reform in America from the Gilded Age to the Progressive era Despite the atmosphere of extreme prudery and the existence of the Comstock laws after the Civil War a group of radicals emerged to attack conventional beliefs about sex from traditional marriage to women's chattel status in society These men and women had in common a direct unrespectable iconoclastic style They put forth outrageous journalism and had a penchant for martyrdom and for using the courts to publicize their ideologies From rare and generally unknown sources Hal D Sears pieced together the story of the sex radicals and their surprising ideas Moses Harman a minister turned abolitionist and freethinker is a central figure in the narrative His *Lucifer the Light Bearer* the only journal of sexual liberty published from the early 1880s to 1907 was dedicated to free love sex education women's rights and related causes To a great degree Harman's publication defines the limits of

social dissent in the late nineteenth century Other members of the sex radical circle included E B Foote a medical doctor who made a fortune with a home medical book crammed with sex information Edwin Walker and Lillian Harman who became a cause célèbre among radicals when their jailhouse honeymoon in Kansas challenged the right of the state to regulate marriage Elmina Slenker who promoted a theory of sexual energy sublimation and the idea that women were the superior sex and Lois Waisbrooker Dora Forster Lillie White and other feminists who almost a century ago taught and preached the very ideas we hear today in the women's movement Of course all these people got into trouble with the law mostly through the machinations of their archvillain Anthony Comstock Sears examines Comstock's powers of postal censorship and describes Comstock's personal vendettas against sexual dissenters particularly the free love philosopher Ezra Heywood He gives a legal history of obscenity and explains the sex radicals' significance in the emergence of obscenity law Although the sex radicals attest the important reform vitality of provincial culture in late nineteenth century America until now they have been almost ignored by historians Those who have studied sex radicalism at all apart from its communitarian and sectarian aspects have viewed it merely as a subsidiary of the more respectable feminist movement In this book Sears gives careful consideration to the links between sex radicalism and spiritualism feminism anticlericalism anarchism and the free thought movement He presents sex radicalism as a separate and unique movement which illuminates new reaches of the Victorian landscape and establishes a tradition for present day liberation trends

**Conquering the Game of Control** Craig Green, 2012-02-21 Quit playing the game All humans by nature are doomed to play an unwinnable game which looks remarkably like the harmless game of Rock Paper Scissors but is in reality played out with the weapons of domination manipulation and intimidation For those who want to learn to let go of the reins of control so they can be put in the hands of one who is infinitely more capable the Lord this book will be both enlightening and beneficial Like the game of Rock Paper Scissors there are no real winners only victims who feel crushed cut or covered by the process or ominously empowered by it What is the solution To quit playing the game altogether How By recognizing and repenting of the game playing God does not play the game indeed control is not in Him at all Through Him humans can be transformed until the game of control gives way to a life of mutual submission the dance of relationship rather than the dissonance of control
