Michael Jacksons Toxicology Report:

The Sudden Death of Michael Jackson (Second Edition) Andrew Dolan, 2011-08-02 Michael Jackson died with six different drugs in his body and the coroner stated that Propofol intoxication and the benzodiazepine effect produced by Lorazepam were the causes of death. What are the effects of these drugs and why was Michael Jackson using them the day he died? Why did Michael Jackson start abusing prescription drugs in the first place and how did years of prescription drug abuse make his death more likely? How could Michael Jackson have avoided death? The nineteen chapters in this book include the complete text of the Los Angeles Coroner's anesthesiology consultation report, their summary of toxicological findings, nontechnical descriptions of the drugs that led to Michael Jackson's death, explanations of key medical concepts, and over a hundred references from medical pharmacology and toxicology journals.

From crime scene to morgue to courtroom and finally the court of public opinion, this riveting narrative is essential reading for true crime enthusiasts. If you think the media has told you everything there is to know about Michael Jackson and Casey Anthony, think again. This engrossing, almost cinematic page turner offers never-before-published information on the mysterious deaths of Michael Jackson and Caylee Anthony, plus five other ripped-from-the-headlines criminal cases. Based on the authors' long investigative experience, these two insiders offer revealing insights into the following high-profile cases: Casey Anthony: An assessment of the trial of this century, during which a Florida mother stood accused of killing her young daughter, Caylee. At stake were issues that included accuracy of air sampling and cadaver dogs, post-mortem hair banding, chloroform, duct tape identification, computer clues, and deep family secrets. Michael Jackson: The authors provide never-disclosed data on the autopsies of Jackson's body and a microscopic view of the singer's life and career, plus analysis of the cardiologist charged with his death. Was Dr. Conrad Murphy recklessly

negligent or a fall guy for a hopelessly addicted celebrity Drew Peterson Heroic Illinois SWAT team cop or wife killer Did his third wife slip and fall in the bathtub or was she beaten and drowned The controversy over her death led to an exhumation and the filing of homicide charges against him but can prosecutors prove their case And what happened to his fourth wife who remains missing Rolling Stone Brian Jones Was the rock musician s death an accident or something more sinister And was he impaired by drugs or alcohol when he died After more than forty years there is finally an answer In addition the authors examine the tragic death of twelve year old Gabrielle Bechen whose rape murder changed her community Col Philip Shue whose demise was a battle of suicide versus homicide until Dr Wecht solved the case and Carol Ann Gotbaum a respected Manhattan mother who died in police custody in Phoenix

musical genius ended his life all is 100% accurately described from official court transcripts and documentation A powerful and compelling account of the brutal truth behind the rumours Target Concha Calleja,2020-11-20 THE NEWEST AND HIDDEN VISION OF THE KING OF POP In the early morning of June 25 2009 Michael Jackson s doctor enters his room and finds him out of breath His pulse is barely detectable Hours later his death is declared at UCLA Ronald Reagan Medical Center and the news goes around the world The Michael Jackson case was so famous that no one knows about it That is the answer that the author gives to why she has been involved in the investigation of what could happen that night The official version does not suit her The results of her investigations make up this volume where she lets us see Jackson s profile and the psychological autopsy she performs under the strange mysteries of his death In this book Calleja opens a meticulous investigation in which the reader can solve at the same time the unknowns that remain unanswered ten years after his death What if the doctor convicted of involuntary homicide was not the culprit of the death of Jackson What if the homicide was not involuntary Who is behind his death Who did it benefit Was he worth more dead than alive And fundamentally who was really Michael Jackson From the hand of the author the reader will know the forensic testimonies the federal police and judicial evidence the economic data and will see the images the graphics and the unpublished documents in her archive Everything at your disposal to give your verdict A case that is still alive a goal and a mystery that continues to move the world Because Michael Jackson is regardless of who it weighs more news than ever Unmasked Ian Halperin,2009-07-13 1 NEW YORK TIMES BESTSELLERIn late December 2008 Ian Halperin told the world that Michael Jackson had only six months to live His investigation into Jackson s failing health made headlines around the globe Six months and a day later the King of Pop was dead The planned London concerts would have earned millions for the singer and his entourage but he could never have completed them not mentally and not physically Michael knew it and his advisers knew it Anyone who caught even a fleeting glimpse of the frail 50 year old hiding beneath the costumes and cosmetics would have understood that the London tour was madness Why did it happen this way After an intense five year investigation New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson s final years **Whitaker's Cumulative Book List** ,1972 **Was Michael Jackson Murdered? only tells the story of that trial but of what was secretly going on behind the scenes a far more important and mysterious tale than that unfolding in the courthouse The Trials of Michael Jackson reveals the sensational events which led to the downfall of a megastar at the hands of the mighty Sony company and an obsessive but compliant prosecutor Using previously unpublished material personal interviews and evidence gathered during research on three continents Lynton Guest uncovers the truth about the bitter feud between one of the biggest corporations in the world and pop music s greatest legend The Trials of Michael Jackson is a roller coaster ride from the ashes of a defeated Japan in 1945 to the twenty first century celebrity culture which now spans the globe It provides the most authoritative look yet at the music business and its extreme excesses over the last forty years But more than anything else The Trials of Michael Jackson shows how the man who gave us Thriller the biggest selling record of all time was hunted down and all but destroyed by forces beyond even his control The death of one of the planet s greatest legends in June 2009 has generated unprecedented speculation rumour and controversy There are more questions than answers and the report by the Los Angeles coroner in August 2009 means that Jackson s death is now officially a homicide Is there a hidden agenda between Dr Conrad Murray his paymasters AEG Live and Sony Corporation Why was Propofol a powerful anaesthetic administered to Michael Jackson by Dr Murray What is Philip Anschutz s involvement in Jackson s death Was Michael Jackson worth more dead than alive These questions are only a few raised by Lynton Guest in this hard hitting Second Edition in his quest to seek the truth in The Trials of Michael Jackson *Unnatural Death* Dr. Michael M.
