***A Gathering of Crones*** Lydia M. Hawke, 2022-01-18 She's running out of time And so is the world Claire Emerson is up against the clock After learning on her sixtieth birthday that she's one of four Crones destined to save the world she's been desperately trying to acquire the lifetime of magic she missed out on But the mages who are out to destroy everything she loves aren't waiting and when one of the other Crones ends up on Claire's doorstep wounded and unconscious Claire knows she's out of time Leaving the safety of her house she goes in search of the remaining Crones only to find them under siege by the mages and the nearly indestructible monster they control And without control over her powerful elemental magic she has no idea how to rescue them Can Claire harness her powers in time to help her fellow Crones defeat the mages or will her efforts bring even greater disaster **Becoming Crone** Lydia M. Hawke, 2021-06-17 She wanted purpose She got dark magick and war Claire Emerson is adrift After a lifetime as a wife mother and grandma she never saw divorce or loneliness coming and is desperate for some sense of purpose But when her sixtieth birthday brings a snarky gargoyle an annoyingly sexy wolf shifter and an unknown magical calling she thinks she's losing the only thing she has left her sanity Refusing to believe she's the powerful defender of humankind her so called protectors claim Claire attempts a return to her safe life only to have her powers ignite when she's attacked by dark supernatural creatures And without the training she was supposed to have received she has no idea how she'll defeat sinister mages plotting her demise Can Claire overcome creaky joints and major hot flashes in time to save the world and her own life **Crone Unleashed** Lydia M. Hawke, 2023-08-15 She thought she'd won but the war has only just started When Claire Emerson imprisoned Morok in the Camlann fragment of the world it should have been the end of the dark god and of the war between him and the Crones But when Lucan her protector is accidentally trapped along with the god Claire is determined to rescue him She'll have to travel through the treacherous god realm alone to get to him And that's just the first hurdle The bigger problem The magick of an ancient Crone is hidden in the fragment and if Morok discovers it he'll have enough power to break free and carry out his plan to destroy Claire's entire world and all that she loves Can Claire save Lucan and find the Crone magic before Morok does Or will she have to choose between the shifter she's come to love

and the power she never asked for in the first place      *A Tangle of Obsidian* Lydia M. Hawke, 2025-06-03 Chasing shadows and saving the world at the age of sixty nine Not on her bingo card Former nun Sister Monica Barrett is the reluctant keeper of a stone that holds immense dark magick She d abandon it if she could but it s become attached to her literally and there are five more like it in the hands of powerful corrupt Mages determined to control the very fabric of the world Even if they destroy that world in the process Fortunately Monica s foes haven t been able to find the one thing they need to help them tap into the stones powers a mysterious being named Methuselah who brought the fragments to Earth millennia before Unfortunately neither has Monica On her side a fractured secret sisterhood an off the clock cop and a tech less tech whiz On the enemy s Unlimited financial resources their own dark magick and a host of terrifying monsters The race to find Methuselah is on and the entire planet hangs in the balance      **Rise of the Crones** Lydia M. Hawke, 2024-04-09 With great powers come great repercussions In the aftermath of her victory over the dark god Morok Claire Emerson is ready for some well earned peace and quiet and for some healing time with her protector Lucan But tranquility evaporates when an ancient god arrives on her doorstep demanding sanctuary and blaming Claire Claire s final battle with Morok tore apart the very fabric that separated the worlds and now the Between is devouring the Otherworld leaving the gods no choice but to flee to Earth The chaos that follows them turns Claire s entire world upside down Again Repairing the damage she caused while keeping a bunch of unruly deities in line won t be easy but she s up to the challenge until she learns that one of the deities is Morok whose defeat wasn t as complete as she believed Now with her magick spread increasingly thin Claire has no choice but to again fight a war she thought she d already won And this time Morok isn t alone but neither is she As alliances form and new enemies emerge will Claire s struggle to restore balance be enough to save the world Or will it plunge them all into utter annihilation      *Game of Crones* Lydia M. Hawke, 2022-08-30 She knows she s powerful But is she enough Claire Emerson has turned her back on destiny After failing to master her unpredictable elemental magic it s clear to her she doesn t belong and her fellow Crones agree But just as she leaves her magical life behind she learns that one of the Crones has turned the others over to the mages and Morok the dark god they serve Knowing Morok can use the Crones magic to reclaim his own powers she has no choice but to go after them alone Tracking down and confronting the traitor is the easy part Getting past the mages who hold the Crones captive is going to be a little more difficult especially when Morok opens a portal to another world that threatens everything Claire holds dear Can Claire unleash her full powers in time to save her companions and the world      **The Wisdom of Folly** Ellen Thorneycroft Fowler, 1910      *The Dragon and the Gnarly King* Gordon R.
