How To Write A Book Outline Template Molly Elodie Rose, 2020-02-15. This How To book is different. Unlike every other book you'll read with titles like *How To Write The Perfect Book in 193 Oh So Easy Steps*, this book is different. It's a simple How To guide for writing a book that's right for you and also an easy to follow workbook. We'll discuss how to use this book and run through some tips for writing. We'll then go on to look at the process for creating a book including the questions you need to consider so that you don't forget anything important. Then we go on to lay out the full process for generating your plot details and developing your character outlines with plenty of space available so that you have ample room for all your scribbles, doodles and crazy arrow diagrams. We've even included some Further Notes pages at the back for anything else you need to jot down. Writing a book is both a challenging and daunting prospect. With a well thought out process in place anticipating the questions to consider AND what order to consider them in it will be much less daunting and much more exciting. Good luck Molly.
