[A Nantucket Wedding](#) Nancy Thayer, 2019-04-16 Wedding bells are ringing and a widowed mother of two hopes the occasion will reunite her daughters in this captivating novel from the New York Times bestselling author of *The Island House* and *Secrets in Summer*. A delightful beach town tale about family relationships and second chances. Kirkus Reviews. A few years after losing her beloved husband, Alison is doing something she never thought she would do again: getting married. While placing the finishing touches on her summer nuptials, Alison is anxious to introduce her fiancé, David, to her grown daughters. Felicity, a worried married mother of two and Jane, also married but focused on her career. The sisters have a somewhat distant relationship, and Alison hopes that the wedding and the weeks leading up to the ceremony will give the siblings a chance to reconnect as well as meet and get to know David's grown children. As the summer progresses, it is anything but smooth sailing. Felicity stumbles upon a terrible secret that could shatter her carefully cultivated world. Jane finds herself under the spell of her soon-to-be stepbrother Ethan, who is as charming as he is mysterious. And even Alison is surprised and slightly alarmed by her new blended family. Revelations, intrigue, resentments: as the Big Day approaches, will the promise of bliss be a bust? Against the gorgeous backdrop of the sun-swept island of Nantucket, Nancy Thayer sets the stage for a walk down the aisle no one will ever forget. using the Internet to challenge the boundaries of what's taboo and what it means to be normal. Finding Normal explores how people are using the internet to find community, forge connections and create identity in ways that challenge a variety of sexual norms. Based on a highly candid interview series conducted for New York magazine's human science column 'What It's Like', each story in Finding Normal intimately immerses the reader in the world of a person who is grappling with a unique set of circumstances relating to sexuality. Finding Normal at once celebrates the power of our evolving media landscape for helping people rewrite the script for their lives and offers a warning about the danger of that seemingly limitless freedom. Tsoulis Reay shows the enduring power of the search for belonging for humans and society. Like happiness of life purpose, finding normal is perhaps the definitive human struggle.
