Heaven Can Wait English Edition:

Exploring Film through Bad Cinema David C. Wall, 2025-08-08 *Exploring Film through Bad Cinema* offers an overview of the practice of film analysis through a specific focus on the concept of bad cinema within a series of broad cultural and historical contexts Providing a wide ranging discussion of film from multiple perspectives including history aesthetics and criticism this broad theoretical engagement illustrates the ways in which the registers of value that we apply to film are inseparable from the wider discourses of taste that shape our culture While loosely chronological it is largely thematic in arrangement as it applies the traditional methods of film studies to in depth discussions of some of the most notoriously and compellingly bad films in cinema history Situating its analysis of a wide variety of films and filmmakers in terms of period genre and issues such as the emergence of narrative cinema canon formation and the politics of cultural hierarchy it provides an in depth consideration of the multiple and complex social and aesthetic discourses that shape our qualitative assessments of film Designed for both the lay reader and student of film *Exploring Film through Bad Cinema* engages with a wide range of topics from film history and film theory to postmodernism exploitation and cult cinema This theoretically and historically sophisticated analysis will appeal to researchers and scholars in film studies as well as cognate disciplines such as screen studies visual studies and cultural studies

Literary Depictions of Dangerous Reading Kevin R. West, 2019-04-15 *Literary Depictions of Dangerous Reading* explores how selected American and European literary texts from the classic to the contemporary represent reading as a dangerous endeavor It investigates how the texts being read or the conditions of reading may produce danger and considers the various qualities of the dangers depicted literal or metaphorical real or imagined minor or mortal Whereas readers can readily imagine being depressed or bored by a book or even perhaps corrupted in some moral fashion readers typically assume that the mere words on a page cannot directly affect their health Nevertheless literature can and does stage readings in which readers suffer actual harm from the magical or supernatural qualities of a given text Such impossibly dangerous reading fascinates the author argues by exaggerating the dangers that may inhabit certain real experiences of reading
