eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere *Group Discussion Guide* ,1944 **Film and Radio Discussion Guide** ,1955
