The land of Terre d'Ange is a place of unsurpassed beauty and grace. It is said that the angels found the land and saw it was good and the ensuing race that rose from the seed of angels and men live by one simple rule Love as thou wilt. Phdre n Delaunay is a young woman who was born with a scarlet mote in her left eye and sold into indentured servitude as a child. One pricked by Kushiel's Dart chosen to forever experience pain and pleasure as one Phdre has trained in the courtly arts and the talents of the bedchamber but above all the ability to observe remember and analyze. Having stumbled upon a plot that threatened the very foundations of her homeland she gave up almost everything she held dear to save it. She survived and lived to have others tell her story and if they embellished the tale with fabric of mythical splendor they weren't far off the mark. The hands of the gods weigh heavily upon Phdre's brow and they are not yet done with their charge for while the young queen who sits upon the throne is well loved by the people there are those who believe that other heads should wear the crown. And those who escaped the wrath of the mighty are not yet done with their schemes for power and revenge. To protect and serve Phdre will once again leave her beloved homeland. From the sun drenched villas of La Serenissima to the wilds of old Hellas from a prison designed to drive the very gods mad to an island of immutable joy Phdre will meet old friends and new enemies and discover a plot so dreadful as to make the earth tremble masterminded by the one person she cannot turn away from.
