Enduro and Sportsman models from 1965 through the 1969 MG series However as both the 250cc and 400cc models

remained in production through 1975 as the MH 1970 MI 1971 MJ 1972 and MK 1973 1975 series the original Clymer manual provided coverage beyond its publication date and effectively included those models from 1965 through 1975 While

technical publications for your classic motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality digital or comb bound photocopies that are scanned or printed complete with greasy pages and

thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often

advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product
