*Hustle & Faith* Marcus D. Wiley, 2014-12-10 I am not a theologian I did not study hermeneutics and homiletics in seminary school I can't exegete or eisegete text but I can read The bible tells me that faith without works is dead What I've learned is it will never be your season if you have not plowed You cannot reap what you have not sown My experience proves that God will honor your faith by rewarding your hustle The book *Hustle Faith* is a twenty first century urban vernacular biography of what God did for me when I decided to do something for myself *Rest in the Name of God*, 2025-09-27 What if the most powerful thing you could do was stop You've been hustling Striving Stretching yourself thin in the name of productivity faith family and survival But deep down your soul is screaming for something more something softer You don't need another planner another podcast another push You need permission to breathe again In *Rest in the Name of God* Lucian Evercroft shares a raw grace filled journey from burnout to breakthrough one sacred pause at a time This is more than a book It's a lifeline for every person who's forgotten how to be still who's worn out from proving their worth and who longs for peace that actually lasts Inside you'll discover Why your identity was never meant to be tied to your output How the Sabbath is not a rule but a rescue The science and Spirit behind rest stillness and silence How to create rituals of calm in a world of chaos What happens when you unplug and finally hear God's whisper again You don't have to qualify for rest You don't need to earn it You just need to say yes Come to Me all you who labor and are heavy laden and I will give you rest Matthew 11:28 NKJV This book is for you if You're running on empty and don't know how to stop You feel guilty for resting but know something has to change You want to feel God again not through noise but through stillness You crave deeper peace in your mind your body and your spirit You weren't created to live in overdrive You were created for communion Don't wait until you crash to find what rest can restore Start today Scroll up and get your copy now Your soul will thank you
