Approaching Hysteria Mark S. Micale, 2019-01-15 Few diseases have exercised the Western imagination as chronically as hysteria from the wandering womb of ancient Greek medicine to the demonically possessed witch of the Renaissance from the vaporous salong women of Enlightenment Paris through to the celebrated patients of Sigmund Freud with their extravagant erotically charged symptoms In this fascinating and authoritative book Mark Micale surveys the range of past and present readings of hysteria by intellectual historians historians of science and medicine scholars in gender studies art history and literature and psychoanalysts psychiatrists clinical psychologists and neurologists In so doing he explores numerous questions raised by this evergrowing body of literature Why in recent years has the history of hysterical disorders carried such resonance for commentators in the sciences and humanities What can we learn from the textual traditions of hysteria about writing the history of disease in general What is the broader cultural meaning of the new hysteria studies In the second half of the book Micale discusses the many historical cultures of hysteria He reconstructs in detail the past usages of the hysteria concept as a powerful descriptive trope in various nonmedical domains including poetry fiction theater social thought political criticism and the arts His book is a pioneering attempt to write the historical phenomenology of disease in an age preoccupied with health and a prescriptive remedy for writing histories of disease in the future Mark S Micale is Assistant Professor of History at Yale He is the editor of *Beyond the Unconscious* Essays of Henri F Ellenberger Princeton Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Erotic Adventures of a Victorian Doctor: Desires of a Lady Dorian Shellan, 2018-02-16 Doctor Damian Thatch is a London physician whose unique version of clitoral massage immediately cures his patients of their hysteria The masochistic Lady Bridgette however desires more But a proper Victorian lady may not have any interest in sex and even thinking about an orgasm would be completely unacceptable Her solution is to convince her trusted physician to become the administrator of her immorality She confesses to Damian her wish to engage in activities that a man may only obtain from the likes of a prostitute but that her social standing prohibits her from doing so She then initiates an erotic demonstration of what she has in mind following which he eagerly agrees to help her Subsequent encounters then uncover Damian's tendency towards sadism Not only is his arousal enhanced by dominating Lady Bridgette but delivering pleasure to her through spanking greatly intensifies his subsequent release When Lady Bridgette comes to understand that intensified pain also intensifies her pleasure Damian becomes free to do with her as he wishes This is an adult only work of fictional Victorian erotica involving bondage domination sadism masochism BDSM and humiliation

Correction Kelli Wolfe, 2015-07-04 Discipline Miss Brewer Obedience Submission These are the keys to your reformation Until you learn this and accept it your punishments will continue Constance Brewer is facing nine years in Newgate Prison for theft with no hope for early release Her future appears bleak but then she is taken to see a visitor Professor George E Feversham the founder of Feversham's Academy of Young Women's Correctional Education His offer astounds her If she completes his rehabilitation regimen she will be released and her criminal record expunged the only requirement is that she obey him without question She eagerly accepts his terms but she has no intention of being rehabilitated Escape from a man as naive as the Professor should be easy and once free she can disappear into the London slums But when she is captured only seconds after breaking out of her room Constance soon discovers why it is called correctional education Will Constance submit to the Professor's discipline or will she return to Newgate Prison until she is an old maid
