The Beginners' Guide to Writing, Self-Publishing and Marketing a Book Kehinde Adesina,Taiwo Adesina,2013-07 Everyone has a book in them and that s where it should stay Well that s an old saying as recent developments have shown that it is now easier than ever to write AND publish your own book and to a near professional standard therefore the book no longer needs to remain in you It is now possible to achieve the best results however the self publishing world is complex and there are many pitfalls a new author should be aware of This book written by experienced writers and publishers will help you avoid them and will guide you through the process of book writing publishing and marketing It provides opportunities as you read along to use the tips strategies and ideas mentioned for your own book It covers the main platforms Lulu CreateSpace and Lightning Source and is packed with solid hints and tips

Marketing Your eBook Gabriel Dica,2016-03-18 Here you are You ve done it you ve finished your book Maybe you have some final touches left but the hard part is over and you ve completed your masterpiece All those days spent researching and writing and fitting everything together perfectly are behind you But your book isn t really selling like you hoped it would Why Why aren t people rushing to read your carefully crafted world or your precise report on that important matter Well my fellow writer It once struck me just as it will inevitably at some point strike you So we might as well just get it

out of the way I hate to be the one to tell you but nobody really gives a damn about you You re a new author nobody s ever heard of They skim past your great book cover in a mere instant simply because they don t know your name They ignore your catchy book title simply because they don t trust their money with you You re an unknown therefore you re a risky choice Yes even for the price of a damn cup of coffee they ll cruise past your long hours of work without any kind of afterthought I know it s the brutal reality of indie authors but it s the reality nonetheless big authors sell their books using their names signed authors sell their books using their publisher s name But the rest of us self publishing authors are left to fend for ourselves I too once thought that writing a good book is the hard part Now I know better now I know that selling my work is actually the hardest part by far But don t give up Not yet Not when you can learn from my mistakes and occasional successes Not when you re so close So here goes Everything I ve tried everything I ve done and everything I ve learned over the years about marketing your book
