## Five Days Left:

**Five Days Left** Julie Lawson Timmer, 2014-09-09 A beautifully drawn study of what is at risk when you lose control of your own life Unique gripping and viscerally moving this impressive debut novel heralds the arrival of an extremely talented writer Jodi Picoult New York Times bestselling author of Leaving Time Destined to be a book club favorite a heart wrenching debut about two people who must decide how much they're willing to sacrifice for love Mara Nichols is a successful lawyer devoted wife and adoptive mother who has received a life shattering diagnosis Scott Coffman a middle school teacher has been fostering an eight year old boy while the boy's mother serves a jail sentence Scott and Mara both have five days left until they must say good bye to the ones they love the most Through their stories Julie Lawson Timmer explores the individual limits of human endurance and the power of relationships and shows that sometimes loving someone means holding on and sometimes it means letting go

**The Burden of the Ancients** Allen J. Christenson, 2016-10-11 In Maya theology everything from humans and crops to gods and the world itself passes through endless cycles of birth maturation dissolution death and rebirth Traditional Maya believe that human beings perpetuate this cycle through ritual offerings and ceremonies that have the power to rebirth the world at critical points during the calendar year The most elaborate ceremonies take place during Semana Santa Holy Week the days preceding Easter on the Christian calendar during which traditionalist Maya replicate many of the most important world renewing rituals that their ancient ancestors practiced at the end of the calendar year in anticipation of the New Year's rites Marshaling a wealth of evidence from Pre Columbian texts early colonial Spanish writings and decades of fieldwork with present day Maya The Burden of the Ancients presents a masterfully detailed account of world renewing ceremonies that spans the Pre Columbian era through the crisis of the Conquest period and the subsequent colonial occupation all the way to the present Allen J Christenson focuses on Santiago Atitlán a Tz'utujil Maya community in highland Guatemala and offers the first systematic analysis of how the Maya preserved important elements of their ancient world renewal ceremonies by adopting similar elements of Roman Catholic observances and infusing them with traditional Maya meanings His extensive description of Holy Week in Santiago Atitlán demonstrates that the community's contemporary ritual practices and mythic stories bear a remarkable resemblance to similar cultural entities from its Pre Columbian past

**If I Could Move Again (MxM)** Takano Masamune, 2021-06-01 COMPLETED Ah more there Mmm The student cried out as he closed his eyes He was feeling indescribable pleasure at the man's persistent touch The student's mind was completely blank all other thoughts were pushed aside to make way to the intense pleasure he was feeling Ethan wetted his dry lips his breath got heavier He glimpsed at his hardened erection and moved his eyes back to the man that made him this way It was Ashton he also had a heated up expression as if he couldn't take it anymore Looking like he wants to devour the student on top of him he fastened his pace Ethan moaned louder as he moved up and down on the man's erection Ashton forcefully thrust into the student's fragile body Surprisingly enough the student didn't feel

uncomfortable at all at the strange sensation he'd never experienced. If anything he felt ecstatic but what turned him on the most was his employer's sexy expression as he thrust into him. Twenty one year old college student Ethan is left to take care of himself after his parents' divorce. With no help from his family or relatives he struggles to make ends meet by working several part time jobs which affects his studies due to the lack of time. One day he finds an odd job offer that pays well he applies and surprisingly gets the job as a caretaker to a wealthy man in a wheelchair. However, what happens when he accidentally falls in love with the man he is supposed to be taking care of? **Boy x Boy** novel **Unprofitable Dreams** Julia Rich, 2007-07

Life It is slipping by right now Quietly Unassumingly Behind our backs It happens to husbands and wives to sculptors and schemers to the saved and the damned to me and to you Unprofitable Dreams is a collection of eight short stories about dreamers who are blinded by potential pretense and past phantoms. Can they wake up to their lives before it is too late? Will Sam be able to see his wife for who she truly is? Will Jane be able to see her new husband for who he is not? Can Daniel and Tricia overcome the scarring events of their pasts? Will Chester ever make it into Heaven? When dreams collide with reality anything is possible and choices have to be made. Passivity is no longer an option. Hope is no longer an option. Because life lasts for just an instant and then it's **The Complete Novels of Sinclair Lewis** Sinclair Lewis, 2023-11-23

The Complete Novels of Sinclair Lewis is an essential anthology that encapsulates the breadth of Lewis's literary prowess featuring a comprehensive collection of his groundbreaking works. Known for his sharp social commentary and keen psychological insights, Lewis employs a realist literary style intertwining humor and satire with profound character studies. This compilation offers readers an in-depth exploration of American society in the early 20th century, tackling themes such as capitalism, conformity, and the quest for identity with iconic novels like *Main Street*, *Babbitt*, and *Arrowsmith*, illustrating the undeniable complexities of the American experience. Sinclair Lewis, the first American to receive the Nobel Prize in Literature, emerged as a critical voice during a time of significant social change. Lewis's own experiences in America combined with his keen observations of small town life and the burgeoning corporate landscape shaped his understanding of the societal flaws he so eloquently critiques in his works. His profound ability to portray the struggles of individuality within a conformist society highlights his status as a precursor to later literary movements such as modernism. For readers interested in the interplay of character, society, and the psychological undercurrents of American life, *The Complete Novels of Sinclair Lewis* serves as both an enlightening journey and an important historical document. This anthology is highly recommended not only for its literary merit but also for its poignant relevance in today's discourse on American identity and values.
