Dr. Himanshu Agarwal

Associate Professor, Department of Commerce, Deva Nagri College, Meerut, UP, India.

Abstract

Publication of research papers in reputed and referred journals has become mandatory for teachers, professors and research scholars. Paper must be plagiarism free and scholarly written with scientific validity and reasonable conclusion. Most of the researchers does not differentiate among research paper, article and essay. Researchers are not aware what they are aiming at. The present paper guides researchers about writing a scholarly research paper. There is a specified stepwise procedure of writing scholarly research paper. All researchers must follow that pattern. It is a 7-point strategy. The steps suggested by the author are sole experience of the author. Author is chief editor of Journal of Commerce and Trade.

Keywords: Research Paper; Article; Essay; Plagiarism; Citation; Referencing; Abstract; Journal.

1. Introduction

Research and writing research papers are becoming scientific day by day. Ph. D. students, teachers or professors are being recognized through their published research works. In the recent past in India, it has been made mandatory for every teacher or professor and for every Ph.D. student to get their research papers published in UGC-CARE listed journals or Scopus registered journals. This need is aroused for taking promotions in colleges or universities or for the award of Ph.D. Degrees. Apart from this, government initiated to curb copying of other researchers' work to ban 'literature theft'. It has also made writing of paper very scientific in nature. The research paper must ensure an acceptable level of plagiarism. Moreover, ResearchGate, google scholar, zenodo and other such platforms have emerged to evaluate and to judge the work of researchers. These portals have a public viewing that gives rating to the registered researchers on their platforms.

Before knowing the writing scholarly research paper, one has to understand clearly what the research paper is. Most of the researches fail because they are not 'research papers'. Largely,
