The Essentials of Project Management Dennis Lock, 2007 The Essentials of Project Management is a primer distilled from Dennis Lock's comprehensive, successful, and encyclopedic textbook Project Management, now in its Tenth Edition. It provides a concise, straightforward account of the principles and techniques of project management designed to meet the needs of the business manager or student. Using examples and illustrations, the author introduces the key project management procedures and explains clearly how and when to use them. The text for the new edition has been completely restructured and largely rewritten so that the sequence now follows even more closely the life cycle of a typical project from its earliest definition to final close-out.

The Essential Management Handbook Pooja Supahia Bhardwaj, 2021-08-03 About The Author Pooja has over 20 years of global corporate work experience across different geographies spread across various sectors including BFSI, manufacturing, IT. She has won numerous awards/accolades over her gargantuanly successful career. She has a strong academic background including education from acknowledged institutes like London Business School, UK, Heriot Watt University, UK, FOMS India. She has contributed towards numerous journals, white papers, research papers. Currently, she is the CEO of a leading consulting firm besides officiating on the Board of two unicorns, a niche start-up. WHY BUY THIS BOOK Proven management concepts, corporate case studies, researches collectively form a formidable knowledge pool which can provide upward direction to career growth, but the sheer complexity and intricacies can be mind-baffling. How to absorb, timely recall, apply them seamlessly? This book answers with an innovative approach: 1. Story-telling technique: While the reader gets engrossed in the exciting story of a corporate professional, unconsciously it creates a visual image which is easy to connect with, remember, and recall. It compels for action and fuels a desire for change. 2. The management concepts, corporate case studies, researches are explained using Diagrammatic representations instead of sentential representations. 3. The real-life experiences ignite curiosity as they can strongly connect emotionally. 4. Message gets reinforced with numerous aptly placed idioms. Key take-away from book: 340 management concepts, 80 corporate case studies, 180 idioms, 15 real-life experiences.
