Owens,2015-01-22 Owens provides a historical analysis of the ideological movements and reform efforts leading to the Common Core State Standards beginning with conservative criticism of public schools in the 1930s and culminating in a convergence of the political right and left in efforts to systemically reform education based on free market principles **Control of Pestivirus Infections in the Management of Wildlife**

**Populations** Julia F. Ridpath,Thomas Passler,2016-11-18 Infections with recognized and putative species of the genus pestivirus are not host specific and are documented in many wildlife species The study of pestivirus infections in wildlife species is important both to eradication programs and programs for maintaining the health and well being of wildlife populations Free ranging wildlife species may act as reservoirs for pestiviruses that infect domestic species For this reason eradication efforts for classical swine fever virus include control of the virus in wild boar populations The contribution of free ranging species to the circulation of BVDV1 BVDV2 and BDV is less well understood While substantial damage due to pestivirus infections has been demonstrated in a few specific wildlife populations the impact of pestiviral infections on the well being of most captive and free ranging wildlife populations is largely unknown The research topics summarizes our current understanding of pestiviral infections in wildlife and discusses the challenges in understanding and mediating their impact on captive and free ranging wildlife species **Narrating Stance, Morality, and Political Identity** Lauren Zentz,2021-05-23 This book offers unique insights into the use of Facebook after the 2016 US presidential election interrogating how users in private groups draw on individual experiences in movement building and identity construction while also critically reflecting on ethnographic practices around social media The volume draws on the author s own involvement in a specific Facebook group focused around activism and community organizing in Texas following the 2016 US

presidential election Chapters draw on the frameworks of small stories and stance to unpack the ways in which group members use parts of their individual stories to signal beliefs to others present themselves in relation to the group and signal virtues of moral authority on various pressing political issues Building on these analyses Zentz goes on to address ways in which the scales of politics are being navigated and modified at the grassroots level in our highly networked world This book contributes to ongoing conversations about the realities of internet use within linguistic anthropology and new media studies and how researchers might seek to account for social media use and access to this data as these technologies develop further This book is key reading for students and scholars in linguistic anthropology media studies and activism and social movement studies
