21 Good Old Days Gabrielle May,2020-02-24 I was broken shattered and everything was taken away from me I had no choice but to give up Give up on everything Give up on myself Every time I tried to move on the strings in my life pull me back so strong that neither could I move an inch from where I was nor could I break those strings Why did they do this to me How could they do this to me I lost everything I LOST MYSELF Why am I living For what For whom I stood there in front of the bathroom mirror tapping my fingers on the basin thinking that my strings would pull me back any moment but something made me feel they weren t gonna pull me this time and for the last time I looked into the mirror INTO THE MIRROR to see myself but what I saw was all the terrible things that happened in my life every possible reason why I could end my life right now I closed my eyes and all I could remember was the 21 good old days in my miserable life

In the Middle of Nowhere Jonathan

Crewe,2015-12-01 Relying on the author s personal recollections as well as on J M Coetzee s autobiographical and fictional works this book deals with Coetzee s formation as a writer of international prominence whose life and writing career began in South Africa Drawing on Coetzee s South African writings from Dusklands through Disgrace the book considers Coetzee s initial positioning in provincial South African political and literary culture as well as his drastic reframing of South African letters and his breakout into a global career culminating in the award of the Nobel Prize in 2003 The book considers Coetzee almost exclusively in relation to the South Africa from which he emigrated in 1999 but also emphasizes his momentous revision and undoing of the marginalized genre of South African Literature in the service of global authorship Written in the conviction that Coetzee s South African works remain his most impassioned and momentous ones this book seeks to come to terms with their conditions of possibility and distinctive achievement Confessions of a Christian Humanist John W. De Gruchy,2006 How can one genuinely follow Jesus today and what does that mean about one s lifestyle social and political commitments and ethical stance In this fine work internationally renowned theologian John de Gruchy answers that question Reviving an almost silenced tradition he lifts the banner of Christian humanism not secular humanism with a Christian veneer but a critical retrieval of Christianity s core convictions and values in ways that are both critical of and yet constructively engaged with secular culture in serving the well being of humanity **Sound of Our Summer Seas** Diane Menghetti,2004 There is some evidence that Japanese people may have visited Australia before the Europeans settled here The Japanese government legalised emigration in 1866 and twernty four passports to Australia were issued between 1868 and 1882 The first Japanese settler to arrive in Queensland in the 1870s was a circus acrobat By the end of the century nearly 4000 Japanese lived in Australia and 88% of them in Queensland Few people realise that Townsville in North Queensland hosted the first Japanese Consuls based in Australia They served their countrymen who were working in the pearling trochus shell and sugar industries The previously little known and fascinating story of Townsville s Japanese Consuls which is superbly illustrated by Townsville based artist Tate Adams will surprise and delight **The Voice** ,1926
