## Grand Designs Episode Guide:

*Arella's Repertoire* Elayne Zalis, 2012 The novel begins as Arella prepares for 2000 and the fresh start it represents More at home in cyberspace than anywhere she has actually lived she reinvents herself and her life story for readers of a multimedia web diary she calls Arella's Repertoire a blend of memoir travelogue and blog Characters who star in this virtual drama recapture worlds Arella has known and weave together the memories dreams and imaginings that have contributed to her development as a woman and a writer in postmodern America Framed as an online text that she posts incrementally throughout the month of December 1999 the narrative explores personal and cultural memory Arella's Repertoire forms part of a quartet that also includes two works of nonfiction Video Graphic Alchemy Transforming Dear Diary and VirtualDayz Remediated Visions Digital Memories and another fictional text Vagabond Scribe Leah's Backstory **Grand Designs** Aneta Podkalicka, Esther Milne, Jenny Kennedy, 2018-11-28 This is the first academic book to examine the long running hit series Grand Designs which occupies a significant place in the popular imagination internationally The authors apply an empirically grounded critical perspective to the study of television to reveal how people use the program in their everyday lives The emphasis on everyday uses and meanings combines creatively with understanding the program theoretically textually and in terms of its production structures This position challenges framings of the popular lifestyle and factual television genre that has been dominated by a neoliberal or governmentality perspective for many years Presented by British designer and writer Kevin McCloud Grand Designs follows the progress of home owners as they embark on design renovation and building projects at almost always dizzying scales of endeavour Understanding the program as both a text to analyse and a site of material impact the book draws on interviews with production members home renovators building practitioners and audiences as well as references to associated media formats to provide contextual depth to the analysis The authors argue that as a cultural object the program is both shaped by and enacts social discourses of home making design value and taste Navigating public commercial and promotional logics Grand Designs sparks new forms of cultural production and consumer markets Grand Designs at 25 Kevin McCloud, 2024-10-15 Grand Designs 25 features Kevin McCloud's personal selection of the most significant and memorable builds from 25 years of this acclaimed TV series *Diversity in Architecture* Jan Smitheram, Akari Nakai Kidd, 2025-08-15 Diversity in Architecture Intersectionality Affective Politics and Creating Change explores diversity in architecture through an intersectional lens It examines how overlapping individual identities cultural ideologies and institutional practices shape the profession Divided into two parts this book first explores how values norms and ideologies are constructed circulated and reinforced through media representations both from without and from within The second leans into voices from academics and architects within spaces of education and practice who share their lived experiences navigating power structures and affective politics that marginalise diverse voices Considering praxis and actions to create change where care is central it asks what happens if we bring intersectionality to the picture of diversity in

architecture through media education practice How can affective solidarity and relationality foster change What role does intersectional care play in dismantling systemic barriers and reimagining a more inclusive future Written in dialogue with and for architectural academics practitioners students as well as wider audiences invested in diversity this book opens its readers to the importance of mobilising diversity in architecture through intersectionality and affect towards lasting change

**Small is Necessary** Anitra Nelson, 2018-01-20 Does small mean less Not necessarily In an era of housing crises environmental unsustainability and social fragmentation the need for more sociable affordable and sustainable housing is vital The answer Shared living from joint households to land sharing cohousing and ecovillages Using successful examples from a range of countries Anitra Nelson shows how eco collaborative housing resident driven low impact living with shared facilities and activities can address the great social economic and sustainability challenges that householders and capitalist societies face today Sharing living spaces and facilities results in householders having more amenities and opportunities for neighbourly interaction Small is Necessary places contemporary models of alternative housing and living at centre stage arguing that they are outward looking culturally rich with low ecological footprints and offer governance techniques for a more equitable and sustainable future
