Christ, Muhammad and I Muḥammad Ghāzūlī, 2007-04 Mohammad Al Ghazoli was raised a Muslim But the more he read the ancient literature of Islam the more convinced he became that Allah could not be the True God And the more he studied the life of Muhammad the more obvious it became that Muhammad was not God s prophet Then one day someone placed a Bible in his hands and said Read Soon Ghazoli had found the True God and forgiveness through His Son This book isn t just Ghazoli s testimony It is much more than that It contains the facts from the literature of Islam that shows why Allah can t possibly be the True God It gives proof from Islam itself that whenever Muhammad wanted more wives or riches or when he had a problem Gabriel was always standing by ready to give another verse to exempt Muhammad from the law and morality How convenient Many of the stories in the book will be unfamiliar to the Western reader but very familiar to Muslims It is this inside view of things that makes the book so powerful as a witnessing tool for Muslims Over and over again Ghazoli asks Is this the behavior of a prophet who was sent by God What kind of god would send a prophet like that The arguments contained in this book will give you powerful evidence you can show to Muslims you may try to witness to Because it is written by a respected Arab writer who was an advisor to the Arab league and even to Libyan ruler Qhadaffi you can give the book to a Muslim and tell him Read Learn about The 220 contradictions in the Quran Verses which reverse and replace prior verses Did Allah make a mistake The verses used to justify terrorism Even the Quran admits Jesus was crucified Then it denies it Muhammad s 23 marriages including one to a little girl

A Common Word Miroslav Volf,Prince Ghazi bin Muhammad bin Talal,Mellisa Yarrington,2009-12-30 In late 2007 Muslim leaders from around the world together issued in the pages of The New York Times an open letter to Christian leaders inviting cooperation as a step toward peace That letter A Common Word between Us and You acknowledged real differences between the two faiths but nonetheless contended that righteousness and good

works should be the only areas in which they compete The 138 signatories included over a dozen grand muftis an ayatollah and a Jordanian prince and the document was widely considered a groundbreaking step toward reconciliation between Islam and Christianity two major religions with a great deal in common That original letter and a collaborative Christian response Loving God and Neighbor Together both appear in this remarkable volume Building on those original momentous documents A Common Word further includes subsequent commentary and dialogue between Muslim and Christian scholars addressing critical and frequently asked questions All in all this eventful book encapsulates a brave and encouraging move toward harmony and accord between two world religions so often seen to be at odds *Jesus Or Muhammad?* Steven

Masood,2012-11-01 Jesus or Muhammad A Question of Assurance Two people have radically influenced the world Jesus and Muhammad One name invokes some people to love their enemies The other name invokes some people to hate those who insult that name However movements in the West with varying agendas infatuated with words like co exist tolerance and inclusivism shove all the key differences between faiths under a rug without any discussion over them Yet History and Experience tell us that it is good to freely talk about differences in order to understand each other s faith Steven Masood examines how followers of Jesus and followers of Muhammad use different dictionaries for the definition of peace love grace and mercy He delves into the Bible and the Qur an investigating how both present the creation and the patriarchs While the Bible stops with Jesus and his disciples the Qur an brings Muhammad on the scene Masood deals sensitively with questions like Is the Qur an the continuation of the Bible Did Jesus promise the coming of Muhammad Is Jesus or Muhammad the final messenger with the authority of assurance from God What guidance was promised to Adam to restore him and his progeny to God If Jews Christians and Muslims believe in the same God why the different messages Steven Masood PhD has spent over 30 years studying and working in Christian Muslim relations At present he holds workshops and seminars with a Biblical and Qur anic perspective on Islam He has written several books including The Bible and the Qur an A Question of Integrity Currently he serves in full time Christian ministry More info www.JesusToMuslims.org *Paul Meets Muhammad* Michael

R. Licona, Mike Licona, 2006-02 A creative out of the box approach to examining the validity of Christ s resurrection from the virtual perspectives of two religious heavyweights **What the Bible Says About Muhammad (PBUH)** Ahmed

Deedat, 1998 The subject of this book What the BIBLE says about MUHAMMED PBUH will no doubt come as a surprise to many of you because the author is a Muslim How does it come about that a Muslim happens to be expounding prophecies from the Jewish and Christian Scriptures As a young man about 30 years ago I attended a series of religious lectures by a Christian theologian a certain Rev Hiten at the Theatre Royal Durban in South Africa *Jesus, prophet of Islam* Muhammad

Áta ur-Rahim, 2004 *Prophet Muhammad in the Bible* P. Zainul Abideen, 2015-01-13 Many religions came into existence while many are dead Among existing religions Islam and Christianity occupy top positions These religions are followed in countries around the world These two religions have different ideologies but share some common faith Christianity believes

Jesus was born without male intervention this faith is also shared by Islam Christianity believes before Christ many prophets of God appeared They were given revelations by God Islam too accepts this Islam believes Jesus as the mighty messenger of God Christianity believes in after life They believe their life in earth should be according to God s laws This will decide their eternal life people will be rewarded heaven or hell Islam seriously stresses on after life These are some faith common between Islam and Christianity But in some faith Christianity and Islam differs Basic Christian faith is Jesus was born of God Basic faith of Islam is Allah was not begotten nor does he beget he does not have female companions nor does he have relatives Islam severely condemns this Jesus was not the son of God in literal sense Abraham Moses and Jesus were prophets of God Islam says Jesus was not the son of God but he was a prophet of God Adam sinned by disobeying God as a result his descendants were born sinners This is the basic belief of Christianity Islam believes Adam sinned by disobeying God But his sin was not passed to his descendants a new born child does not inherit sin This is another faith where Christianity differs from Islam As humans are born sinners it becomes essential to sacrifice Christianity believes that Jesus sacrificed himself for the sins of mankind Bible says Jesus was unwilling to be sacrificed But he was captured by his enemies and punished Jesus cries My God My God why have you forsaken me It clearly contradicts Bible s view of Jesus self sacrifice Islam too takes this stand Even if Jesus self sacrificed himself it would only be atonement for his sins and not the sins of mankind this is Islam stand No country will punish a son for his father s crime When men are intelligent enough to stop such laws is it reasonable to believe God would give such a law Is God less intelligent than Man This logical question is raised by Islam These are major differences between Christianity and Islam Islam believes revelations were given to the prophets of God but were manipulated by men Islam believes some words of God are still retained in the Bible There are many verses in the Bible which prophesies the arrival of Prophet Muhammad These prophecies are found in Old Testament and New Testament of the Bible The goal of this book is to prove prophet Muhammad saw was prophesized in Bible and he was a prophet sent by God to all mankind If Christians read this book with an open heart they would inevitably conclude that Prophet Muhammad saw was a messenger sent by God We pray that you might be guided into the truth

Jesus and Muhammad in the Bible? C.

Hore,2018-07-12 One issue that often brings conflict between Christians and Muslims is the issue of the identity of Jesus Christ and that of Muhammad Why Muslims see Jesus Christ as nothing more than a servant and a messenger of Allah the Christians see him beyond that Christians see Jesus as the Son of God the very image of the invisible God who came into the world the save man from sin and destruction You would not need to have much training in Christian Theology to be able to see that Jesus foot print is in almost all the books of the Bible from Genesis to Revelation In the Bible you see Jesus in prophecies Jesus in action and Jesus in allusion Christians never mistake Muhammad for anything other than a false prophet and an impostor into the Abrahamic monotheism but the Muslims consider him a prophet and a messenger of Allah their God and a role model for all his followers The reasons for these two different and divergent views are not farfetched Muslims read

the Bible in the light of the Quran The Quran claim that it is the final revelation of God you will lose out if you don't key in While Christians read the Quran in the light of the Bible the unchangeable eternal word of God and that leads to different conclusion and identification of the two great personalities Jesus and Muhammad Ironically however the very characteristics of Muhammad as extolled in the Quran and Hadiths as those of a great prophet are the same characteristics when looking at in the light of the gospel of Christ the same exposed him as a false prophet but this is completely concealed to the Muslims The Quran required the Muslims to check up with the Bible for confirmation of the truth of the Quranic revelation but the extent to which Muslims hid to this instruction is a different thing altogether Q5 47 49 10 94 In this book however we will look at Jesus and Muhammad in the light of the Bible revelation in an attempt to answer sundry questions that will help probe into some basic truth about these two personalities with the aim of helping you make right decision that may determine your destiny This is not being partial but the right thing to do since the Bible predate the Quran for at least 600 years and if they both came from the same source then the former should be the benchmark for the confirmation of the truth After going through this book you should be able to take responsibility for who you trust with your life in time and in eternity It is your God given ability to discern and to choose between good and evil Christian attempt to reach the Muslims with the gospel of Jesus Christ has always been met with strong resistance and the reasons are obvious It has always been because of lack of proper knowledge of who really was Jesus Christ and who was Muhammad There are a number of things that fuel their stiff resistance to the Gospel The Muslims are under the illusion that God has given them the best religion in the world not knowing that religion is a curse to mankind no religion is capable of given man salvation The word religion is not even mentioned in the Old Testament of the Bible and in the few places where it was mentioned in the New Testament is not something one should desire to have From Genesis to Revelation God wants man to relate to him in a family relationship predicated on love A relationship based on pure love towards God and towards our fellow men The Quran made Muslims to understand that one of the unpardonable sins of man is to make God a partner with man and Christianity and Judaism happens to falls under the categories of religion that makes their prophets partners with God according to Islam and this is shirk the unpardonable sin *Christ & Islam* James A. Beverley, 2000-10 Islam is expanding rapidly worldwide With this rise in conversions arrives the real possibility that the average Christian will eventually work with live next to attend school or socialize with converts to Islam This fact alone underscores the importance for the Christian of understanding the Islamic religion and being able to answer the basic belief systems of the Muslim James Beverley provides an excellent resource that introduces the Christian to the basic tenets of the Islamic religion Formatted to be easy to use and quick to reference *Christ and Islam Understanding the Faith of the Muslims* provides five easy memory keys that help you learn the basic tenets of Islam an overview of the life of Muhammad a quick review of the Quran Islamic holy book a picture of Jesus through Muslim eyes specific keys that help you reach the Muslim for Christ This study demonstrates these points in language suitable for

group study By providing the most current correct and concise information on Islam James Beverley has built a resource that bridges the gap from Islam to Christ **The True History Of Jesus** Elijah Muhammad, 2008-11-14 A True History of Jesus his birth death and what it means which also goes into symbolic interpretation of his second coming and how it relates to black people in America This title was originally written by Elijah Muhammad in the Nation of Islam s official newspaper Muhammad Speaks as a 22 part series This book is the complete series The history of Jesus Joseph his real father and mother Mary is given an exceptional analysis in the excellently written book
