FemDom Relationship Guide Caroline Peel,2017-09-28 So you want to have a FemDom relationship or want to know how that would even work You are a man and want to convince your wife to become your future mistress You are a woman and want to understand submissive men or train one Then this is your book You should not read this book if you re interested in any hot FemDom sex stories you won t find them there You will find a complete manual for a FemDom relationship however So much of the websites out there are focusing on the sexual elements of FemDom and almost no one talks about FemDom as a relationship model Needless to say that it seems all of the writings are from men and they really don t understand women and especially not Dominant women I have been in a FemDom relationship for almost 10 years now and yes it works it s the best lifestyle ever I love it But getting there wasn t easy The stuff on the internet for instance was worthless I received lots of help but I have to admit that much of this was sheer luck The first step was understanding my submissive husband and his desire to be dominated It was by accident that I discovered my husband s visits to a Dominatrix close by How was I supposed to understand that If I would have had access to a book like this one I

would've understood him much better. But back then this book didn't exist. Instead I invested lots of time to understand submissive men and went on a journey. After some time we introduced FemDom. I learned to Dominate. I learned to command. I learned to own him. He's mine now. And both of us love it. But even today 10 years later there still is no adequate book or guide out there which teaches the two most basic things: Accepting and understanding submissive men as a woman. Dominant men and living a FemDom relationship in the long run. That's why I decided to write this book. It's not only a collection of thoughts; it's a thorough handbook guiding you on your journey towards total FemDom. Here is an overview of what you will find inside:

- Chapter 1: Why I Became A Mistress
- Chapter 2: Understanding Submissive Men On Femdom And Relationships
