## Little Miss Lovesick:

*Little Miss Lovesick* Kitty Bucholtz, 2012-11 Sydney Riley hears voices in her head Voices that keep her sane and voices that drive her crazy The one thing they all agree on forget Dirk the Jerk and move on So Sydney lets her friends drag her into the wilds of Northern Michigan where Little Miss Lovesick the loudest voice in Sydney's head runs into literally the perfect man Is hot fishing guide Matt Engel the man to vanquish heartbreak With the vacation flirtation behind her Sydney is ready to start again Soon after however a difficult and must keep client demands Sydney work with his new contractor Yes one and the same Matt Engel hotter than ever and right here in town But when Matt's past comes between them Sydney wonders how to prevent another broken heart As the rest of her life spirals out of control she learns that sometimes a plan isn't enough without friends to share the load Maybe together they can even help Little Miss Lovesick find what she's been fishing for

Love Sick Deidra Duncan, 2025-05-13 Heartfelt and smart Love Sick is just what the doctor ordered Emily Wibberley and Austin Siegemund Broka authors of *The Breakup Tour* Their bedside manner needs a little work Love may be the best medicine but first year resident Grace Rose isn't prescribing it anytime soon Not since her ex broke her heart in med school and especially not since hearing the rumor that she slept her way into the OB GYN program Spoiler alert So not true With her social anxiety already in full spiral Grace is determined to set the record straight But after a tense first encounter with fellow resident Julian Santini with his annoying good looks and witty charm she realizes that her reputation may never fully recover Julian didn't mean to offend Grace After all he's just as fed up with the toxic BrOB GYN culture as she is He's got his own drama to triage anyway like proving that he earned his spot in this residency not simply lucked into it Still something about Grace gets under his skin and not always in a bad way Forced to work together through grueling shifts and sleepless nights Grace and Julian try to cut back on the bickering for the sake of their training Before long however a different kind of tension exposes the cracks in their truce With their hearts in critical condition will they accept that love is the best remedy of all Grey's Anatomy meets *The Hating Game* in this delicious laugh out loud rom com set in the world of a tight knit group of OB GYN residents written by a practicing physician

**STARSTRUCK: The Prequel** R T Green, Some people will tell you they have fairies at the bottom of their garden Mia and Becca have little aliens at the bottom of theirs The *Starstruck* series tells the story of Mia Becca and the six little people who change their lives It's a contemporary fairytale with a kick something a little different and very much for adults only Check out the full *Starstruck* story at [rtgreen.net/starstruck](http://rtgreen.net/starstruck)

*Starstruck The Prequel* Time to say Goodbye The Prequel came about through requests from some of my VIP readers who said it would be nice to know why and how Mia's tiny tenants came to be trapped in her house So this shorter novella is their story and I've priced it as low as possible as it's not a full length book The Prequel is a simple story of passion not of love or intimacy but of the passion for survival of saying goodbye and overcoming adversity It tells the tragic but heart warming story of why the voyagers had to leave their home Beginning five years ago at the same time Mia first meets Becca it traces

their five year journey right up to the fateful weekend when everyone's lives finally collide     **The Badger** ,1916     A Bunch of Roses Mollie Evelyn Moore Davis,1903     *The animals of Æsop; Æsop's fables adapted and pictured by J.J.
