**A Journey to Freedom** Steven W. Moore, 2010-06-30 Born on the Defour plantation in Natchez Mississippi before the Civil War Koweena's early life is fraught with uncertainty She doesn't look like the other slave girls Her skin isn't as dark her hair is brown instead of black and she is treated differently by other slaves Yet her mother refuses to answer her questions The day Koweena meets Julie the daughter of the plantation owner her life changes forever Koweena is allowed to play in the big house and she realizes that there is far more to life than living in a pitiful shack and wearing rags for clothes The urge to find freedom blots out everything else during the next several years as she looks for ways to find a new life especially when she sees the continued depravity at the Defour plantation Koweena's salvation comes from an unexpected source Julie herself wants to help her find freedom and the two begin to plan for Koweena's trip on the Underground Railroad It's a journey fraught with danger but Koweena knows she has no choice She must take this step if she is ever to find the happiness she longs for But then Koweena learns the shattering truth of her parentage one that will make her question not only her past but her future as well *The Mystic's Map* Rev. Carol Bodeau PhD, 2017-03-27 Many of us today are on a quest for deeper meaning for greater peace and for a steady connection to a source of well being But we aren't sure how to find these things How do we know which path is right for us or if we're in the right place on the way How do we assess our own progress or know what next step to take *The Mystics Map* is an outline for the spiritual journey No matter where you are on your own spiritual quest just starting out well on your way or perhaps feeling stalled in your progress *The Mystics Map* offers you insight and inspiration for charting your own unique course Through the author's personal stories and stories from her clients and companions you will be inspired to move forward And through numerous practical exercises and bits of wisdom from many spiritual traditions *The Mystics Map* gives you the tools you need to take the next step [Using a Competency Development Process Model in Higher Education](#) Nancy Latham, Johnna Darragh Ernst, Tiffany Freeze, Stephanie Bernoteit, Bradford White, 2023-07-03 What if educational programs designed curriculum with the end in mind teaching and assessing only the knowledge and skills necessary for success in the workplace and broader life applications Competency Based Education CBE provides an answer to questions such as this one that key stakeholders such as employers learners parents and educators are asking In this book the authors offer a Competency Development Process Model CDPM with unique features that emphasize the interdependence of competencies assessments and a robust learning journey within a fully developed career pathway Two case examples are used throughout the book to contextualize the CDPM There are seven steps of the model Step 1 Define the Problem Step 2 Establish the Competency Framework Step 3 Draft the Competency Statements Step 4 Establish Competency Measurability Step 5 Develop Competency Assessments Step 6 Adopt and Implement Competencies in Learning Journey and Credentialing Systems Step 7 Evaluate Impact Over Time The model addresses the importance of situating competencies within a professional learning context using a backward design approach

In doing so the model aims to elevate the work of designing competencies from merely developing a list of expectations to in depth analysis and design with the goal of developing competencies that can be readily used for assessment and career pathway development Each step in the CDPM is treated as a chapter and each chapter identifies the central question that must be answered provides an overview of the tasks in the step and illustrates the steps in action through the two case examples Each chapter concludes with Your Turn guiding questions for the reader to apply the step to their own context
