Modèles : N et P - type : RC 42

*Avant de donner l'avis technique, les membres du jury ont dû étudier avec le constructeur les caractéristiques de la moto. Ils ont également pu se rendre compte de la qualité de la conception et de la réalisation de la moto. Ils ont pu constater que la moto est conçue pour être utilisée dans des conditions de circulation et de conduite qui sont très différentes de celles d'une moto de type sport.*

**Nous tenons à remercier la société HONDA France pour l'aide efficace qu'elle nous a apportée dans la réalisation de cette étude.**

**The Right Side** Spencer Quinn,2017-06-27 In this brilliant deeply felt Stephen King novel by the New York Times bestselling author of the Chet and Bernie mystery series a deeply damaged female soldier home from the war in Afghanistan becomes obsessed with finding a missing girl gains an unlikely ally in a stray dog and encounters new perils beyond the combat zone LeAnne Hogan went to Afghanistan as a rising star in the military and came back a much lesser person mentally and physically Now missing an eye and with half her face badly scarred she can barely remember the disastrous desert operation that almost killed her She is confused angry and suspects the fault is hers even though nobody will come out and say it Shattered by one last blow the sudden death of her hospital roommate Marci LeAnne finds herself on a fateful drive across the country reflecting on her past and seeing no future Her native land is now unfamiliar recast in shadow by her one good eye her damaged psyche her weakened body Arriving in the rain soaked small town in Washington State that Marci called home she makes a troubling discovery Marci s eight year old daughter has vanished When a stray dog a powerful dark unreadable creature no one s idea of a pet seems to adopt LeAnne a surprising connection is formed and something shifts inside her As she becomes obsessed with finding Marci s daughter LeAnne and her inscrutable canine companion are drawn into danger as dark and menacing as her last Afghan mission This time she has a strange but loyal fellow traveler protecting her blind side Enthralling suspenseful and psychologically nuanced *The Right Side* introduces one of the most unforgettable protagonists in modern fiction isolated broken disillusioned yet still seeking redemption and purpose As Harlan Coben raves this is a great suspense novel and so much more You won t forget the heroic LeAnne Hogan and the same goes for her dog Not to be missed

**Keeping Watch** Laurie R. King,2004-02-03 Acclaimed as one of the most original talents to emerge in the last decade

award winning author Laurie R King returns to Folly Island to deliver her most stunning achievement yet a breathtaking novel of suspense that explores the very essence of good and evil Allen Carmichael came back from Vietnam a lifetime ago but only now was he ready to return home For years he s lived on the fringes of the law using a soldier s skills to keep watch over those too young to defend themselves Some consider him nothing but a kidnapper for hire the best in the business others call him a hero His specialty has been rescuing children from abusive parents and escorting them to loving homes But after twenty five years he is ready to take on his final case a case that could destroy him The boy s name is Jamie He believes his father is going to kill him Allen is convinced that the twelve year old is right and devises a strategy to save him His last job done Allen heads back to Folly Island where he plans to settle into a quiet life But not long after his return a small plane piloted by the boy s father s crashes leaving behind debris but no body Now it is up to Allen to resolve whether Jamie s father is dead or alive and to make sure Jamie himself stays out of harm s way But a series of ominous events leads Allen to question whether Jamie s father is really the enemy after all Or if the real threat is far more unspeakable and the killer unimaginable Riveting harrowing and unforgettable Keeping Watch takes psychological suspense to its most dizzying heights and proves again why Laurie R King has been called by both readers and critics an undisputed master of suspense
