**Research Program. Final Report** C. M. Slepcevich,1970      Alcatraz Ken Widner,Mike Lynch,2024-05-07 When Frank Morris and brothers John and Clarence Anglin boldly escaped from Alcatraz prison on June 11 1962 it is widely believed that they succumbed to the waters of San Francisco Bay though no trace of the men has ever been found only their makeshift raft In this reexamination of the escape and its aftermath the Anglin brothers' nephew presents compelling evidence that his uncles did in fact survive and eventually made their way to Brazil where they married and had children Using official government documents the authors show how mobster Mickey Cohen may have been involved in the escape some revealing letters from fellow inmate Whitey Bulger and recorded testimony from the person who facilitated their escape to Brazil the authors make a strong case for the Anglin brothers' survival In addition a 1975 photograph of the brothers in Brazil has overcome all challenges to its authenticity by skeptics This book provides a plausible outcome to one of America's enduring mysteries
