The Secrets of Female Sexuality Be the Masterful Lover Women Crave David Shade,2009-09-01 Shade reveals the truths hidden behind social programming and explains the female mind with perfect clarity A good guy equipped with these truths is far more powerful than any bad boy could ever comprehend *The Secrets of Female Sexuality Unapologetic Brutally Honest Truth about Sex That Women Secretly Wish You Knew But Can't Tell You* David Shade,2007-08 The Secrets Of Female Sexuality The Erotic Word : Sexuality, Spirituality, and the Bible NY David M. Carr Professor of Old Testament Union Theological Seminary,2002-12-19 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God s image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life Zombies and Sexuality Shaka McGlotten,Steve Jones,2014-09-24 Since the early 2000s zombies have increasingly swarmed the landscape of popular culture with ever more diverse representations of the undead being imagined A growing number of zombie narratives have introduced sexual themes endowing the living dead with their own sexual identity The unpleasant idea of the sexual zombie is itself provocative triggering questions about the nature of desire sex sexuality and the politics of our sexual behaviors However the notion of zombie sex has been largely unaddressed in scholarship This collection addresses that unexamined aspect of zombiedom with essays engaging a variety of media texts including graphic novels films television pornography literature and internet meme culture The essayists are scholars from a variety of disciplines including history theology film studies and gender and queer studies Covering The Walking Dead Warm Bodies and Bruce LaBruce s zombie porn movies this work investigates the cultural political and philosophical issues raised by undead sex and zombie sexuality **The Woman Question: Social issues** Elizabeth K. Helsinger,Robin Ann Sheets,William R. Veeder,1983 *The Construction of Homosexuality* David F. Greenberg,2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg s careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review **Women and Sexuality in America**

Helsinger, 1983 *Major Problems in American Women's History* Mary Beth Norton, 1989 This selection of source documents and analytical essays focuses on those issues in women's history about which there is substantial disagreement and discussion among historians Topics include the status of white women in colonial America family lives of enslaved women the many varieties of feminism in the 19th and 20th centuries and campaigns for suffrage and social reform ISBN 0 669 14470 8 pbk 14 00 *The Popular & the Canonical* David Johnson, 2005 This volume ranges from the Second World War to the postmodern considering issues of the popular and the competing criteria by which literature has been judged in the later twentieth century As well as tracing the transition from modernism to postmodernism the authors guide students through debates around the pleasures of the popular and the question of inter relations between mass and high cultures Drawing further upon issues of value and function raised in Aestheticism and Modernism *Debating Twentieth Century Literature 1900 1960* they examine contemporary literary prizes and the activity of judgement involved in English Studies This text can be used alongside the other books in the series for a complete course on twentieth century literature or on its own as essential reading for students of mid to late twentieth century writing Texts examined in detail include du Maurier's *Rebecca* poetry by Ginsburg and O'Hara Dick's *Do Androids Dream of Electric Sheep* Puig's *Kiss of the Spiderwoman* Beckett's *Waiting for Godot* Heaney's *New Selected Poems 1966 1987* Gurnah's *Paradise* Barker's *The Ghost Road* *A Year in White* C. Lynn Carr, 2016-01-19 In the Afro-Cuban Lukumi religious tradition more commonly known in the United States as Santería entrants into the priesthood undergo an extraordinary fifty-three week initiation period During this time these novices called iyawo endure a host of prohibitions including most notably wearing exclusively white clothing In *A Year in White* sociologist C. Lynn Carr who underwent this initiation herself opens a window on this remarkable year-long religious transformation In her intimate investigation of the year in white Carr draws on fifty-two in-depth interviews with other participants an online survey of nearly two hundred others and almost a decade of her own ethnographic fieldwork gathering stories that allow us to see how cultural newcomers and natives thought felt and acted with regard to their initiation She documents how during the iyawo year the ritual slowly transforms the initiate's identity For the first three months for instance the iyawo may not use a mirror even to shave and must eat all meals while seated on a mat on the floor using only a spoon and their own set of dishes During the entire year the iyawo loses their name and is simply addressed as iyawo by family and friends Carr also shows that this year-long religious ritual which is carried out even as the iyawo goes about daily life offers new insight into religion in general suggesting that the sacred is not separable from the profane and

indeed that religion shares an ongoing dynamic relationship with the realities of everyday life Religious expression happens at home on the streets at work and school Offering insight not only into Santer a but also into religion more generally A Year in White makes an important contribution to our understanding of complex dynamic religious landscapes in multicultural pluralist societies and how they inhabit our daily lives *Margaret Drabble's Female Bildungsromane* Ian Wojcik-Andrews,1995 This book examines Margaret Drabble s female Bildungsromane using a Marxist feminist theoretical model Thus it historicizes genre the Bildungsroman and also the specific kinds of journeys upon which the heroine embarks marriage housework community sorority literary creativity Integrating the theoretical work of Marx Engels Althusser Barret Gilligan Hartsock and others Ian Wojcik Andrews sees these journeys as historically determined yet negotiable points of intersection that mediate between the hegemony of materialist psychoanalytic and aesthetic ideologies and the ongoing struggle by women and women writers for human rights The Vampire in Folklore, History, Literature, Film and Television ,2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire s penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi s Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented **Our American Sisters** Jean E.
