Yes, I recycle paper products myself. Informal collectors are very visible and collect paper products every day. Big companies have Sappi bins on their premises, reminding people to recycle. In our classroom there are recycling bins for paper. We also move to a paper-free environment, as many textbooks are now available electronically.

No, more can be done. There should be a law forcing every citizen to recycle paper. People discard empty containers very easily into an ordinary bin. When driving around town, many papers can be seen lying around. South Africa is far behind when compared to recycling processes in other countries. (2)
