Prepositional Mistakes in German L2 English Speakers Fee Koppenburg, 2022-09-30. Research Paper undergraduate from the year 2021 in the subject Didactics for the subject English Grammar Style Working Technique grade 10 University of Freiburg course Introduction to Literary Studies language English abstract When doing an internship at a German secondary school I realised English teachers are pointing out many errors to their students. Whether it is grammar wrong use of a vocabulary word or their pronunciation no matter their age or grade the students are corrected whenever they say something wrong but not once did I notice a teacher point out any prepositional mistakes to their students. But prepositional mistakes seem to be very common I heard them in loads of sentences students tried to form on their own. As a result of this observation I want to conduct in this study how many and what kind of prepositional mistakes are being made in the English language acquisition of German native speakers.
