Millard Erickson Systematic Theology Study Guide:

Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book Biblical Discipleship Essential Components for Attaining Spiritual Maturity However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature

How to Study the Bible Greg Herrick, 2002-04 One of greatest joys in life is being able to read and understand a passage of scripture for yourself Such is the ultimate goal of this Bible study program We want you to be able to feed your own soul from Gods word and then turn around and help others as well George Burns once said Id rather be a failure at something I enjoy than a success at something I hate The good news for Christians is that these are not the only two options why not be a success at something you like How To Study the Bible is specifically designed to help you become a success at studying Gods word studying it faithfully honestly prayerfully obediently and intelligently [John Warwick Montgomery's Legal Apologetic](#) Ross Clifford, 2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apo logetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age follo wers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age [Affirming God's Image](#) J. Alan Branch, 2019-06-05 What is a knowledgeable faithfully biblical response to transgenderism In Affirming God s Image J Alan Branch takes a fair respectful and factual tone in addressing this complex issue through a biblical lens You ll learn Scientific research around the transgender experience An Overview of the history of transgenderism Important terminology surrounding gender issues Why people pursue gender reassignment surgery and what happens after How to navigate conversations around this topic The book ends with two practical chapters for families and churches giving you guiding principles for how to address this issue in a loving Christ honoring way The first step to responding well to any situation is understanding it Affirming God s Image equips you with the biblical scientific and practical knowledge you need for a wise response [Systematic Theology](#) James

Leo Garrett,1990 Intended first of all for classroom use but also serving pastors and educated Christians who want to attain a deeper understanding of the Christian faith Garrett's Systematic Theology is a full scale exposition of the doctrinal teachings of the Christian faith **Jesus in Trinitarian Perspective** Fred R. Resurrection, Scripture, and Reformed Apologetics Steven D. West,2012-07-26 Apologetic methodology has been the subject of intense debate in Reformed circles This book argues that we can test Reformed apologetic methods for consistency using two linchpin theological topics the doctrine of the resurrection and the doctrine of Scripture Should apologetics move from establishing theism to the resurrection and then to Scripture Or should theism the resurrection and the doctrine of Scripture be accepted on the testimony of the Holy Spirit as basic beliefs Alternatively do these doctrines need to be presupposed and incorporated into a transcendental defense of the faith After analyzing classical apologetics historical evidentialism Reformed epistemology and presuppositionalism for their apologetic cogency Steven D West contends that any method used by Reformed apologists should be able to argue successfully for a high view of Scripture the source of the doctrine of the resurrection The book will be useful to everyone interested in the relationship between theology philosophy and apologetics *Trinity and Reality* Ralph Allan Smith,2004 The Trinity is the heart of the Christian gospel but Father Son and Holy Spirit seldom occupy that position in contemporary discussions of the Christian worldview This book helps fill the need by unveiling the Trinity at the center of reality Ralph Smith shows how Trinitarian life shapes covenants creation revelation miracle kingdom self church and eternity He compares the Trinity to opposing viewpoints including secularism and other religions highlighting the practical implications of Trinitarian and non Trinitarian views for the individual and society This book provides basic training for all Christians especially students high school and up who desire to transform the foundations of culture Ralph Smith M Div Grace Theological Seminary is pastor of Mitaka Evangelical Church in Tokyo Japan and serves as director of the Covenant Worldview Institute See his online articles at berith.org He and his wife Sylvia have three children all with Hebrew names But they live in Tokyo **Baptist Theologians** Timothy George,David S. Dockery,1990 An important book both for recovering the past history of creative Baptist theologians and for proclaiming the present potential of Baptist Christian thinking *Subject Guide to Books in Print* ,2001 Clark H. Pinnock on Biblical Authority Ray C. W. Roennfeldt,1993 **Baptist Bulletin** ,2000 **American Book Publishing Record** ,1996

The Merging of Theology and Spirituality Larry S. McDonald,2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath's theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed

examination of McGrath's previous work and the writing of other evangelicals. The Merging of Theology and Spirituality offers an overview of a unique thinker's contributions and a guide for future theological and spiritual exploration.
