

**2015 Distinguished Service Award
Acceptance Speech
Michael Ford, Phelps-Clifton Springs**

**Annual Banquet – Hall of Springs
Saratoga Springs, NY
September 27, 2015**

Thank you, Bill and Tom. I am honored to be this year's recipient of this award.

I appreciate this nice award, but I was really hoping for Mets playoff tickets. As a lifelong Mets fan, this is an exciting time. This Mets season has taught me three things

1. Patience is indeed a virtue
2. Magic happens when you least expect it
3. Bartolo Colon has reassured me that old fat guys can still contribute in this world.

When I got the call from Bob Reidy letting me know I was this year's recipient, he was met with absolute silence on my end of the phone. He may have thought I was in shock, but in reality I was overtaken by grief as I assumed if I had been selected for the award all the other retirees must have passed away.

Seventeen years ago I attended my first fall conference. I was walking down the hall of the host hotel and I saw a gentleman who looked vaguely familiar. As we got closer to one another I could see he was looking at me thinking I looked familiar, and I was doing the same. Finally, I realized he was my high school biology teacher and he was a superintendent on Long Island.

He looked at me and asked, "What are you doing here? What vendor do you work for?" I looked at him and I said, "I'm a superintendent." His response was, "No...get out of here." He laughed, shook his head, and kept walking. See, I was the improbable superintendent.

Throughout my days as I high school student at West Islip, I was a kid from the wrong side of the tracks who was at the bottom of my class. Granted, I was in the "top group," but I was the buzzard among the eagles. Our class, homogeneously grouped, included students who would become a member of the House of Representatives and later candidate for Governor, a New York Times columnist and bestselling author, the top cabaret artist in New York City, and leading attorneys and surgeons in our nation...and there was me...holding up the bottom of the class.
