**Study Guide** Carlson, Mary Carlson, Neil R. Carlson, 2003-07. Instructors: download this supplement from Supplements Central today. ***Of Mice and Men*** Charlotte Cook Hadella, 1995. At the core of the story Steinbeck wrote as a play novella are the well-known characters of Lenny and George, migrant workers' lifelong companions: the one hugely strong and mentally deficient, the other small, wiry, and quick-minded. Hadella offers a complete analysis of these characters and their relationship, bringing to bear both Jungian and biblical mythology and comparing them with figures in other Steinbeck works.

The study notes include detailed chapter summaries, study questions, character studies, essays on themes, language, and style, suggestions for creative tasks, and sample examination questions. As the free preview does not go as far as the essays on character and theme, an extract is given below so that you can judge the level of detail and difficulty. George is a bindlestiff, an itinerant ranch hand. His physical characteristics are that he is small, dark of face, and has sharp, strong features. ch 1 p 2. In this initial description of George, there are also some hints about his character: he is quick and has restless eyes. Later in the book, when he is talking to Slim, he says, "I ain't so bright neither, or I wouldn't be buckin' barley for my fifty and foun'." ch 3 p 44. This may be true, but he is certainly clever and wise. It could be that when he says this, he is excusing himself, knowing that he could have achieved more if he did not have to look after Lennie. His wisdom and common sense are demonstrated in the next few pages when he advises Lennie to be careful about the pool because it "looks kinda scummy." ch 1 p 3. He explains to Lennie, "You never oughta drink water when it ain't running." By contrast, Lennie just puts his head in the water and gulps it like a horse. This little incident brings out the contrast between the two men very early in the novel. We soon find out that Lennie

is mentally disabled and that George looks after him The history of their relationship is explained later in the novel when he is talking to Slim in chapter 3 Him and me was both born in Auburn I knowed his Aunt Clara She took him when he was a baby and raised him up When his Aunt Clara died Lennie just come along with me out workin ch 3 p 45
