Woman to be in a Relationship With a Younger Man? TJ Clemons, There are so many older men with young girls out there This has been socially accepted for a long time Mature women with younger men need the world to know that these type of relationship exist and flourish for many years Even though some people look at a younger man with an older women in couples like it s a crime or it is in some way offensive Anybody over the legal age of 18 has the right to be with any person that they have romantic feeling for Society often discriminates against these unconventional unions People seem to be judgmental and label the female companion in the relationship as a Sugar Mama Beauty love and attraction is determined by the individuals that choose to enter into a romantic engagement But still today there is a double standard Older men are encouraged to trade in their aging brides for a trophy younger and beautiful female companionship It is so common in privileged and wealthy circles that nobody really notices or points out a discrepancy Mature women are expected to focus on their grand children and hobbies rather than their sexual needs and desires After the age of 60 they are considered dried up and out to pasture But based on the individual it may be time to explore ones sexual fantasies after years of domestic duties and responsibilities And they may consider exploring their options with a young virile male counterpart without the pressure of getting pregnant or having to play the role of a nurturer Those facts alone create the perfect storm of eroticism and sexual exploration It is now time to get your groove back Now that you are no longer with your significant other due to divorce separation or in some cases death But that can often be more difficult than it has to be based on how you are going to be viewed in the public s eyes Now let us examine this topic from various points of perception Myself personally I am attracted to younger and older women My only turnoff when it comes to getting involved with a more mature woman is if I view her as a grandmother type Meaning if she only talks about her grandkids and can t separate her love life from her family life Seeing her as only a granny just doesn t inspire sensual thoughts and feelings There is nothing wrong with being a mother or a grandmother but from a relationship point of vision I want to be with someone who has a young spirit When it is time for family events and interactions that is a more appropriate the time and place to be a granny There is nothing like a mature sexy woman who has her confidence and the sexual energy of a prowling cougar ready to purr and pounce at a moments notice Every man has an attraction to at least one older woman that he would entertain and enjoy sexually if given the chance With all this being said let us begin our journey into the universe of cougars and their playful cubs Is it love or financial dependence Is it any of our business at all Of course it is If you come outside in America expect for all eyes to be on you at all times That is just how it is so continue to live your life with that understanding and expectation *The Wanton Wives: 3 Older Woman Younger Man Age Gap Hotwife Breeding Stories* Axel Rivers,2024-10-10 These three stories contain spicy scenes of older women taking what they need from the younger men in their neighborhoods A pastor a coach and a boss have very hot wives who all have some very naughty needs The Wanton Wives is a sizzling hotwife reverse age gap romp featuring hot older women giving in to the temptation of a hot young stud who is willing to give them everything they need

This collection includes The Pastor s Wife I was volunteered to help out the pastor after church but I ended up helping the pastor s wife instead Sunday is supposed to be a day of rest but Joy had me working up quite the sweat Maybe church isn t so boring after all The Coach s Wife Everyone on the team gives it their all on the day of the big game I am just a towel boy but when the coach s wife enlists my help it seems that I will be giving her my all and more The Boss s Wife At only 19 I was very lucky to get a great new job as a plumber s apprentice I worked really hard for Mr Connor But when I m seemingly left alone with the boss s wife she gives me a job that makes me work harder than ever in ways I never have before But it seems that I was actually under Mr Connor s supervision the whole time
