retirement plan from platform choice to investment choice. Erick Wiltshire, 20 years experience in the stock market and active service at the LSE London Stock Exchange and Wall street has created a mind blowing and revolutionary book on retirement planning. If you're under 40 most likely retirement probably will seem a long way off a distant thought beyond the horizon. With other priorities such as funding a first home or providing for a young family it's easy to forget about saving for retirement. However it's essential to consider saving for retirement as soon as possible. Failure to do so could mean you retire later than you want or you simply won't be able to maintain the lifestyle you enjoyed whilst working. And the lack of retirement saving investing is proving a real concern for those under 40. Indeed a poll found that nearly six in ten millennials

are concerned they will not have enough money to support themselves when they stop working YouGov 2017 Fortunately if you're under 40 you have one big advantage time Time to give your DIY retirement plan to grow through investment allowing you to reach your goals and live a better life after retirement And with a bit of planning saving for retirement will seem manageable Indeed building good savings habits today could make the world of difference tomorrow We often overlook the reality and the type of lifestyle we will have to live after we have retired the conversation around retirement plans and pensions have always been of dullness and often seen as a taboo subject especially amongst young adults Unaware that the younger an individual starts building their retirement plan the higher the chances of them having a more comfortable and enjoyable retirement Unfortunately no many people wants to discuss retirement however the reality is that those post retirement years could potentially be some of the darkest and coldest years we could face and it's down to us to create some sun shine and warmth for those years now A very easy and straightforward step by step guide will be provided to walk you through the various steps required to get you ready and starting to build your own retirement plan using a multiple assets strategy IRA individual retirement account USA SIPP Self invested personal pension UK and LISA lifetime ISA UK will all get a break down with all the benefits and how they can be used to build your retirement tax free and even how one of the option even offers a 25% government bonus towards either your retirement or a mortgage Managing expenses is a crucial part of DIY retirement planning as your contributions are not longer taken directly from your salary you are now in control of making these monthly contributions which could present its benefits and drawbacks a certain level of discipline is required this book will discuss how you can minimise your monthly expenses whilst maximising monthly contributions to your retirement plan This book will give you a full insight on how you can achieve extremely high returns in the long term by making excellent investments From what trustworthy platforms to use to what type of individual stocks ETFs to add into your retirement investment plan all will be covered in depth in a very jargon free and easy to understand tone After reading this book you will be able to identify great long term investments to build your pension and include in your portfolio how to pick individual stocks how to identify great long term investments in the form of stocks and ETFs in the stock market A simple and brief break down on how the financial world and stock market works and how it could be an engine of gains in the very long term

The Retirement Planning Book Douglas Goldstein, 2013-10 According to the U S Department of Labor less than half of the workforce has calculated how much they need to save in order to retire People often look to their retirement as free time But there is no such thing as free time retirement has its own bills to pay How do you meet your expenses when pension plans only cover a small percentage of your living costs For most people the ultimate goal of their working years is a comfortable and easy retirement Yet many working people avoid planning for the future because retirement seems so far off or they live for today hoping that tomorrow will take care of itself The concepts of planning and saving need not be daunting Whether you are in your early twenties or your late fifties it's never too early or too late to plan for your retirement The

The Top Books of the Year What Is Retirement Planning The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. What Is Retirement Planning : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. What Is Retirement Planning : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
