## Glencoe American Republic To 187chapter 17:

**Race** Thomas F. Gossett, 1997-08-14 When Thomas Gossett's Race The History of an Idea in America appeared in 1963 it explored the impact of race theory on American letters in a way that anticipated the investigation of race and culture being conducted today Bold, rigorous and broad in scope, Gossett's book quickly established itself as a critical resource to younger scholars seeking a candid, theoretically sophisticated treatment of race in American cultural history. Here reprinted without change is Gossett's classic study, making available to a new generation of scholars a lucid, accessibly written volume that ranges from colonial race theory and its European antecedents through eighteenth and nineteenth century race pseudoscience to the racialist dimension of American thought and literature emerging against backgrounds such as Anglo-Saxonism, westward expansion, Social Darwinism, xenophobia, World War I and modern racial theory. Featuring a new afterword by the author, an introduction by series editors Shelley Fisher Fishkin and Arnold Rampersad and a bibliographic essay by Maghan Keita, this indispensable book whose first edition helped change the way scholars discussed race will richly reward scholars of American Studies, American Literature and African American Studies.

**Wallace's Year-book of Trotting and Pacing in ...** John Hankins Wallace, 1892 *The Tragedy of the Vietnam War* Van Nguyen Duong, 2014-07-15 What Americans call the Vietnam War actually began in December 1946 with a struggle between the communists and the French for possession of the country but Vietnam's strategic position in southeast Asia inevitably led to the involvement of other countries. Written by an officer in the Republic of Vietnam Armed Forces, this poignant memoir seeks to clarify the nuances of South Vietnam's defeat. From the age of 12, Van Nguyen Duong watched as the conflict affected his home, family, village and friends. He discusses not only the day to day hardships of wartime but his postwar forced relocation and eventual imprisonment. A special focus is on the anguish caused by the illusive reality of Vietnamese independence. The political forces at work north and south, the hardships suffered by RVNAF soldiers after the 1975 U.S. withdrawal and the effects of reunification on the Vietnamese people are discussed.
