Gladys, the Reaper Anne Beale,2014-11-14 It is an evening in June and the skies that have been weeping of late owing to some calamity best known to themselves have suddenly dried their eyes and called up a smile to enliven their gloomy countenances The farmers who have been shaking their heads at sight of the unmown grass and predicting a bad hay harvest are beginning to brighten up with the weather and to consult upon the propriety of mowing to morrow The barometer is gently tapped by many a sturdy hand and the result is favourable so that there are good prospects of a few weeks sunshine to atone for the late clouds Sunshine how gracious it is just now Down yonder in the west that ancient of days the sun throws around him his evening glory and right royally he does it The rain covered meadows glow beneath it like so many lakes the river looks up rejoicing and the distant mountains are wrapped in garments dyed in the old king s own regal colours The woods look as smooth and glossy as the braided locks of maidens prepared for conquests and the roads and paths that wind here and there amongst the trees are as gay as little streamlets in the sun s reflected light      *Gladys the Reaper* Author of Simplicity and fascination,1860      *Gladys, the Reaper (Classic Reprint)* Anne Beale,2017-05-15 Excerpt from Gladys the Reaper Sunshine how gracious it is just now Down yonder in the west that ancient of days the sun throws around him his evening glory and right royally he does it The rain covered meadows glow beneath it like so many lakes the river looks up rejoicing and the distant mountains are wrapped in garments dyed in the Old king s own regal colours The woods look as smooth and glossy as the braided locks of maidens prepared for conquests and the roads and paths that wind here and there amongst the trees are as gay as little streamlets in the sun s reflected light Suddenly a rainbow leaps as it were out of the river and spans with its mighty arch the country scene before us About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Gladys the Reaper*
