Troubleshooting and Repair Guide made me feel confident that I an average Joanne could pull out my own RV refrigerator  
and know what I was looking at what to check first depending on the problem and where to proceed from there Without the  
guide I'd never know where to start There are a lot of photos and the troubleshooting charts are easy to read with a column  
for symptoms possible problem areas and causes and remedies They identify specific problems for which I need to call on a  
repair specialist but I was surprised to see that many of the remedies are simple enough that I would not be afraid to tackle  
them myself This guide will help anyone assess problems with their RV refrigerator and try first to fix it yourself thereby
