Final Report Vladimir Tismaneanu:

Research Handbook on Transitional Justice Cheryl Lawther, Luke Moffett, Dov Jacobs, 2017-06-30 Providing detailed and comprehensive coverage of the transitional justice field this Research Handbook brings together leading scholars and practitioners to explore how societies deal with mass atrocities after periods of dictatorship or conflict Situating the development of transitional justice in its historical context social and political context it analyses the legal instruments that have emerged

Transitional Justice in Post-Communist Romania Lavinia Stan, 2013 This is the first volume to overview the complex Romanian transitional justice effort detail the political negotiations that have led to the adoption and implementation of relevant legislation and assess these processes in terms of their timing sequencing and impact on democratization

Justice, Memory and Redress in Romania Lavinia Stan, Lucian Turcescu, 2017-01-06 Are there any lessons Romania can teach transitional justice scholars and practitioners This book argues that important insights emerge when analyzing a country with a moderate record of coming to terms with its communist past Taking a broad definition of transitional justice as their starting point contributors provide fresh assessments of the history commission court trials public identifications of former communist perpetrators commemorations and unofficial artistic projects that seek to address and redress the legacies of communist human rights violations Theoretical and practical questions regarding the continuity of state agencies the sequencing of initiatives their advantages and limitations the reasons why some reckoning programs are enacted and others are not and these measures efficacy in promoting truth and justice are answered throughout the volume Contributors include seasoned scholars from Romania Canada the United States and the United Kingdom and current and former leaders of key Romanian transitional justice institutions

Bodies in the Streets: The Somaesthetics of City Life, 2019-08-12 Cities are defined by their complex network of busy streets and the multitudes of people that animate them through physical presence and bodily actions that often differ dramatically elegant window shoppers and homeless beggars protesting crowds and patrolling police As bodies shape city life so the city's spaces structures economies politics rhythms and atmospheres reciprocally shape the urban soma This collection of original essays explores the somaesthetic qualities and challenges of city life in Europe Asia Africa and the Americas from a variety of perspectives ranging from philosophy urban theory political theory and gender studies to visual art criminology and the interdisciplinary field of somaesthetics Together these essays illustrate the aesthetic cultural and political roles and trials of bodies in the city streets

Imagining Mass Dictatorships M. Schoenhals, K. Sarsenov, 2013-08-08 This volume in the series Mass Dictatorship in the Twentieth Century series sees twelve Swedish Korean and Japanese scholars theorists and historians of fiction and non fiction probe the literary subject of life in 20th century mass dictatorships

Revolution, democratic transition and disillusionment Anca Pusca, 2018-04-30 This book develops a fresh and challenging perspective on the transition from communism to capitalism Drawing on a wide and diverse range of material and texts it argues that transition and democratisation studies should turn

their attention towards processes of illusion formation and disillusionment as key to understanding the shift from one ideological framework to another The author provides alternative approaches to otherwise classical sites of examination of social change such as revolutions and the emergence of civil society and proposes a number of new possible sites by analysing the politics of self reflection the element of shock inherent in any transition and the role of visual narratives in negotiating change The chapters are inspired by unique interviews and discussions with the leaders of the Timisoara Revolution the Group of Social Dialogue the first civil society organisation in post communist Romania the leading author of the Presidential Report Analysing the Communist Dictatorship in Romania and an innovative group of photographers tracing the Romanian transition through images *Central and East European Politics* Sharon L. Wolchik, Jane Leftwich Curry, 2014-12-24 Now in a fully updated edition this essential text explores the post communist half of Europe and the problems and potential it brings to the world stage Clear and comprehensive the book offers an authoritative and current analysis of the region s transformations and realities from pre communist history to the victories and reversals in Central and Eastern Europe the Baltics and Ukraine including the Euromaidan and its domestic and international ramifications Divided into two parts the book presents a set of comparative country case studies as well as thematic chapters on key issues including EU and NATO expansion the economic transition and its social ramifications the role of women persistent problems of ethnicity and nationalism legacies of the past and political reform Leading scholars provide the crucial historical context necessary to evaluate the challenges facing the region They explain how communism ended and how democratic politics has developed or is struggling to emerge in its wake how individual countries have transformed their economies how their populations have been affected by rapid and wrenching change and how foreign policy making has evolved They explore the reversals and conflicts that have emerged even in the most successful transitions and their relevance to our understanding of political transitions and democratic consolidation in general For students and specialists alike this book will be an invaluable resource on the politics and economics of Central and Eastern Europe caught between the EU and a resurgent Russia

Radical Philosophy ,2010 **The Oxford Handbook of Postwar European History** Dan Stone, 2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe

after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

Historical Yearbook ,2009 **Histories of the Holocaust** Dan Stone,2010-06-17 A comprehensive and accessible guide to the major themes and debates in Holocaust historiography over the last two decades *European Journal of Political Research* ,2007-12 *Holocaust Memory and Antisemitism in Central and Eastern Europe* ,2008 *Orthodoxy and the Cold War* Lucian Leustean,2009-01-15 This book explores the dynamics between Orthodoxy and politics in Romania providing an accessible narrative on church state relations from the establishment of the state in 1859 to the rise of Ceausescu in 1965 The book argues that Romanian national communism had an ally in a strong Church and analyzes religious diplomacy with actors in the West **Negotiated Revolutions** George Lawson,2005 In Negotiated Revolutions George Lawson reclaims the concept and practice of revolution from the triumphalism of the contemporary world and illustrates how the nature of revolution changes over both time and place **The American Bibliography of Slavic and East European Studies** ,1990 *Daily Report* ,1992 *Solia* ,1998 **Dimensions of Terrorism** Alan O'Day,2004 Dimensions of Terrorism sets out to establish some of the contours of modern terrorism The articles do not provide all of the answers to what is and is not terrorism They are not necessarily of a unified vision of what constitutes terrorism but taken as a group the difficulties of determining its limits and nature are given significant illumination The authors address several major themes within terrorism its definition whether it is a distinct species of political violence or an extension of other forms of activity such as low intensity warfare differing manifestations of terrorism the question of whether it is a new form of the phenomena that has emerged since the end of the Cold War to whom the use of the technique is most likely to appeal and the character of persons who implement terror *The New Republic* Herbert David Croly,1991
