After a few moments of silence, the man spoke again. "I'm sorry, but I can't help you. I'm not a doctor, and I don't have any medical knowledge. I'm just a simple man who has been through a lot in his life. I can't tell you what to do, but I can tell you that you should seek help from a professional. You should go to a doctor or a hospital and get the medical attention you need. I hope you understand."
