Simple Ai For Teachers Step By Step:

Teaching English With AI Gusti Astika, 2025-04-27 Teaching English with AI is a practical guide for high school English teachers who want to start using Artificial Intelligence in the classroom. It offers simple, clear strategies to make your lessons more engaging, reduce your workload, and give students more personalized learning without replacing the human touch that makes teaching meaningful. You'll learn how to use AI tools to support students outside class, automate tasks like grading and feedback, and create lessons that match each student's level. From writing help to speaking practice, lesson planning to gamified learning, this book shows how AI can make your job easier and your classroom more exciting. It also addresses real concerns like feeling unsure about AI or wondering how to use it responsibly. With ready-to-use ideas, lesson plans, and an easy action plan, this book will help you feel more confident using AI while keeping students at the heart of your teaching.
