## **How To Reset Rumor Touch Sprint:**

*Always The Other Guy* Allen Dekeyser, 2025-06-10 Always the Other Guy is a raw eye opening journey into the damage caused by blame and the freedom that comes from finally owning your truth. In this powerful and personal book Allen De Keyser breaks down what happens when we live in a world where responsibility is always passed off. Emotions are weaponized and healing is avoided. Through honest storytelling, hard learned lessons, and deep reflection, Allen unpacks toxic patterns, denial, and how blame can destroy relationships, families, and even your sense of self. But this book isn't just about calling it out; it's about calling yourself in. If you've ever felt like you were silenced, manipulated, or made to feel crazy if you've ever been told it was your fault when it wasn't, or if you've ever struggled to face your own role in the hurt you're not alone. Always the Other Guy's Fault is about truth, healing, and breaking the cycle.

**Harley: The Dog Who Saved Me** Allen Dekeyser, 2025-05-20 He wasn't just a dog; he was my lifeline. Harley The Dog Who Saved Me is a true story of trauma survival and the unbreakable bond between a man and his service dog. After being shot in the face and left battling the invisible wounds of PTSD, Allen De Keyser found himself in a dark place with little hope. But then came Harley, a loyal border collie with a heart full of love and a purpose far greater than anyone imagined. Through raw honesty, emotional storytelling, and moments of both heartbreak and healing, Allen shares how Harley became more than a companion; he became his protector, therapist, and best friend. This is a journey through pain, trust, and unconditional love, told by someone who truly lived it. If you've ever known the power of a dog's loyalty or needed something to keep you going, this book will touch your soul.
